

Sprite Class have had a lovely start to the term. We kicked off our topic 'Moving People' with a challenge to build a shelter using limited materials in our playground. You can see some of our efforts below!

This term, we have been reading *The Boy at the Back of the Class* in Literacy, which fits in really well with our IPC topic. This is the story about how one ordinary nine-year-old child and three classmates are full of empathy for Ahmet, a boy that comes to their school as a refugee from Syria (he is the boy at the back of the class).

All in all, it's been a great start to the term. We are very much looking forward to the residential- which is fast approaching!
