

Red Nose Day 2023

OGPS managed to raise a whopping **£287** for Comic Relief on Red Nose Day. Wow! Many thanks to our community for your generous donations to help us raise this much for a good cause. We appreciate every single penny and cake donated and purchased, especially during such tough times.

The children also enjoyed a talent show. Well done to all finalists on the day – their talents ranged from playing an instrument, singing, dancing, acting, rapping and telling jokes!

There is lots of talent at OGPS.

Staff even took part in a surprise choreographed routine -
much to the children's horror!

We can't wait for next year!
