Statement of Intent

At Park Road CP School, we believe that work experience is an important learning opportunity for young people, and we recognise and value the effort taken by volunteers who contribute towards our school.

Work experience at our school allows individuals to prepare for the social interaction, professional values, daily routines and general demands of a role at this school.

As well as benefitting the volunteer who undertakes the work experience, we believe that this opportunity can also benefit pupils. Young people on work experience can bring enthusiasm, practical help and increased engagement to the classroom.

The benefits of work experience mean that the school is committed to providing opportunities for work experience within the school wherever this is possible and practical, and where this does not interfere with the quality of teaching and learning provided to our pupils.

This policy sets out the practices and procedures which will be followed when young people undertake work experience and for volunteers at the school. This allows our school to provide a safe environment and positive educational climate for all pupils. It also sets out the practices and procedures which will be followed when appointing, managing and supervising volunteers, as well as a code of conduct which all volunteers, including work experience, are required to comply with.

1. Legal Framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Equality Act 2010
- The UK General Data Protection Regulation
- Data Protection Act 2018
- DfE (2023) 'Keeping children safe in education'
- The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018
- The Childcare Act 2006
- UK General Data Protection Regulation (GDPR)
- DfE (2018) 'Disqualification under the Childcare Act 2006'

This policy operates in conjunction with the following trust/school policies:

- Child Protection and Safeguarding Policy
- Social Media Policy
- Equality, Equity, Diversity and Inclusion Policy
- ICT and Electronic Devices Policy
- Health and Safety Policy
- Staff Handbook
- Volunteer Policy

2. Definitions

The following definitions apply for the purposes of this policy:

"Volunteers" are individuals who engage in an activity which involves spending time, unpaid (except for travel and other approved expenses), doing something which aims to benefit some third party, i.e. the school, and not a close relative.

"Occasional volunteers" are individuals who only accompany staff and pupils on one-off trips that do not involve overnight stays, or who volunteer at specific one-off events, such as sports days.

"Regular volunteers" are individuals who volunteer at the school:

- three or more times in a 30-day period
- once a month or more
- on an overnight stay

A volunteer will be engaging in "regulated activity" if they:

- will be responsible, on a regular basis in school, for teaching, training, instructing, caring for or supervising children

- will be working on a regular basis in a specified establishment, such as a school, or in connection with the purposes of the establishment, where the work gives opportunity for contact with children
- engage in intimate or personal care or healthcare or any overnight activity, even if this only happens once

“**Work experience**” is a short-term placement undertaken by young people from another educational site, in school to learn about a job/workplace or an individual who is studying for an educational qualification, which involves working at a school as part of the course.

3. Procedures

Application

Anyone who wishes to volunteer or undertake work experience at Park Road CP School, should send an email to the school office (office@parkroadprimary.co.uk), with the following details:

- Identity details - full name, age, date of birth, full address with postcode
- The reason for the request (volunteer, work experience etc)
- If your course is in connection to an educational course with details of the educational setting, tutor, course details if applicable
- Details of why they wish to volunteer and the activities they would like to undertake
- Approximate start date and days/times when the individual would like to work

The information will then be passed to the Placement Coordinator to review.

Consideration Stage

The Placement Coordinator (PC) will review the application and identify any opportunities that meet the request’s requirements. The PC will confirm the possibility of the placement with key personnel (teacher if class based or Work Experience Lead) before any further action is taken.

After consent has been given

Once agreed, the PC will contact the volunteer/work experience candidate to ask them to come to a brief meeting to discuss the opportunity in school. Once the placement has been agreed, there may be further checks required.

Safeguarding Checks

Occasional volunteers will be appointed at the headteacher’s discretion and will not be required to go through the recruitment process. A written risk assessment will be conducted to determine what checks, if any, are required.

An occasional volunteer will always be supervised by a member of staff, unless the appropriate DBS checks have been obtained.

Regular volunteers (aged over 16 years old) will always go through the following recruitment process:

- appropriate safer recruitment checks will be undertaken, including a DBS check and, where appropriate, references requested.
- The individual will be made aware of the roles and responsibilities they will be undertaking

Under no circumstances will a volunteer on whom no checks have been obtained be left unsupervised or allowed to work in regulated activity. The school will conduct a risk assessment and use its professional judgement to decide what checks are required. The risk assessment will consider:

- the nature of the work with children, especially if it will constitute regulated activity, including the level of supervision
- what the school knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers
- whether the volunteer has other employment or undertakes voluntary activities where referees can advise on their suitability
- whether the role is eligible for a DBS check, and if it is, the level of check required

Details of the risk assessment will be recorded and any DBS checks applied for will be recorded on the school's Single Central Record.

If a volunteer will be working in regulated activity, an enhanced DBS check with children's barred list information will be required. The school will not request barred list information on a volunteer if they are supervised, as they are not considered to be engaged in regulated activity.

For volunteers who are not in regulated activity, but who have the opportunity to come into contact with pupils on a regular basis, it is at the discretion of the school to decide whether or not a DBS check is required.

Details of any risk assessment will be recorded, and any DBS checks applied for will be recorded on the school's Single Central Record.

If a volunteer will be working in regulated activity, an enhanced DBS check with children's barred list information will be required. The school will not request barred list information on a volunteer if they are supervised, as they are not considered to be engaged in regulated activity.

For volunteers who are not in regulated activity, but who have the opportunity to come into contact with pupils on a regular basis, it is at the discretion of the school to decide whether or not a DBS check is required. All checks will be conducted in line with the school's Safer Recruitment Policy.

4. Supervision

If a volunteer is required to be supervised when undertaking an activity, who would otherwise be in regulated activity if not supervised, the school will ensure that:

- there is supervision by an individual who is in regulated activity
- the supervision is regular and day-to-day

- the supervision is reasonable in all the circumstances to ensure the protection of the pupils

When determining what supervision is reasonable so that the volunteer would not be in regulated activity, the school will take the following factors into consideration:

- the ages of the pupils, including whether there is a large gap in their ages
- the number of pupils that the volunteer is working with
- whether or not there are other staff members present during the activity
- the nature of the volunteer's work and the opportunity for contact with pupils
- how vulnerable the pupils are
- how many volunteers would be supervised by each member of supervising staff

5. Induction

Volunteers/students will be required to read and agree to the Volunteer Code of Conduct and Staff Code of Conduct before starting their role at the school.

All volunteers/students will be required to make themselves familiar with school procedures as part of their induction, including the following:

- Child Protection and Safeguarding Policy
- Managing Allegations Against Staff Policy
- Equal Opportunities and Dignity at Work Policy
- Health and Safety Policy
- Invacuation, Evacuation and Lockdown Procedures
- Behaviour Policy
- Anti-bullying Policy
- Whistleblowing Policy
- Complaints Policy
- GDPR Policy
- Staff ICT and Electronic Devices Policy
- Staff Confidentiality Policy

Volunteers/students will be provided with access to the above documents following their induction with a member of staff.

Volunteers will be required to read Part 1 of 'Keeping children safe in education' as part of their induction.

All volunteers/students will be provided with a point of contact within the school who they can go to if they have any questions or issues they need to discuss.

6. Safeguarding

Volunteers/students will be provided with safeguarding information as determined by the governing board, using a proportionate, risk-based approach.

The school will ensure that activities are planned properly and safely, and that volunteers and work experience students are informed of these plans. The school will ensure that they have access to a member of school staff, should they wish to discuss difficulties or report on issues that may arise.

All volunteers /students are required to be identified and located at all times. For this reason, the following process will be adhered to:

- Volunteers/students will sign in and out of the building at the school office
- Volunteers and students will wear a visitor badge at all times

The headteacher will be made aware of where the volunteer is working

Volunteers /students will be made aware that they must report any safeguarding concerns in line with the school's Child Protection and Safeguarding Policy. The identity of the school's DSL and any deputies will be made known to all volunteers.

Any safeguarding concerns or allegations raised regarding a volunteer will be dealt with in line with the Managing Allegations Against Staff Policy.

7. Health and Safety

Volunteers /students will be required to read the Health and Safety Policy prior to undertaking any activity on behalf of the school.

Volunteers/students will ensure that they are familiar with emergency procedures, e.g. evacuation, and of any health and safety procedures relating to the activity they will be undertaking, e.g. whilst in a cookery class.

If a volunteer/student notices any potential hazard which may put another individual at risk of harm, they will report this immediately to the class teacher or a senior member of staff.

8. Absence

Volunteers/students are required to inform the school office by 8:00 am on the day they were due to attend if they are unable to attend at the agreed time.

Failure to inform the school on more than three instances may result in the volunteer/student being unable to attend the school on any further occasions.

If a volunteer/student is called away in the event of an emergency while volunteering, they will inform the class teacher or senior leader and will sign out of the building before leaving the premises.

9. Confidentiality

All volunteers/students will be required to act in line with the Staff Confidentiality Policy.

Volunteers/students will not be permitted to discuss any confidential information regarding a pupil or member of staff with any other individual.

Information will be shared with volunteers/students on a need-to-know basis, and they will not have access to the school's records unless access is required to fulfil their role.

Any volunteer/student who breaches the confidentiality rules will be asked to leave the premises and will not be able to return to undertake any further activity.

There may be instances where a volunteer/student is required to pass information to a member of staff, such as if they notice a pupil being bullied or subjected to harm.

Volunteers/students will report any concerns to a member of staff and are instructed not to notify the parents.

10. Complaints

Any complaints made in relation to a volunteer/student will be managed in line with the school's Complaints Procedures Policy.

11. Monitoring and Review

The headteacher will review this policy on an annual basis and will communicate any changes to all members of staff, existing volunteers and relevant stakeholders.

All volunteers/students will be required to read this policy prior to their attendance at the school.

The next review date for this policy is shown on the front page of this document.
