Statement of Intent

This policy is designed to outline Park Road CP School's procedures regarding visitors to the premises.

This policy will enable our school to:

- safeguard and protect the welfare of pupils and staff members
- prevent unnecessary disruption to lessons and other educational activities
- protect our grounds and facilities from vandalism and misuse
- engage with the community and outside educational influences in a structured and productive manner

1. Legal Framework

This policy has been developed and written with due regard to all relevant legislation and guidance in place at the time, and will be reviewed and updated, annually, and in line with any changes in the law.

2. Authorisation

Individuals who would like to visit the school but are not in contact with a member of staff regarding this, will arrange their visit through the school office, who can be contacted on 01925 723 550 option 4.

The office will record the date and time of the proposed visit, reason for the visit, name of the visitor(s), and the name of the organisation they are from where applicable.

The school office should be contacted about a proposed visitation at least two weeks in advance. Where appropriate, the school office will pass all details on to the headteacher for a final sign-off before getting back to the visitors and confirming the details of their visit.

Teachers, or other staff members, arranging visitors to the school for educational purposes will collate all the above required information and pass this on to the school office for the headteacher's authorisation.

Visitors who arrive at the school without a prior appointment may be permitted to meet with the headteacher/other staff members where these members of the school staff are happy to do so. The visitor will not be allowed into the school without the supervision of a teacher, member of school office staff or member of the SLT.

Parents are discouraged from visiting the school during school hours unless for a school event or emergency. Where a parent arrives at the school, they will follow the visiting procedures outlined in the visiting procedures section of this policy.

3. Safeguarding

The school is committed to promoting the safety of all pupils and may require visitors to undertake a DBS check depending on the purpose of their visit.

Prior to arranging a visit, the headteacher will ensure careful consideration is given to the suitability of the person or organisation. This will include an assessment of:

- the educational value of the visit
- the age appropriateness of what is going to be delivered
- whether relevant checks will be required.
- whether the visit could bring the school into disrepute
- how compatible the visit is with the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

A visitor will require an enhanced DBS check with children's barred list information if they will be undertaking 'regulated activity' at the school.

For visitors at the school in a professional capacity such as Warrington Borough Council and Bridgewater NHS, who have provided a letter of assurance that all checks have been completed and checked, the school will check their professional ID upon arrival as proof. The school will not ask to see the DBS certificate in these circumstances.

DBS checks will be undertaken in accordance with the DBS Policy.

The DSL and headteacher will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

The headteacher will use their professional judgement to determine whether a visitor should be escorted or supervised while on school premises.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with pupils. The school will manage the risk of potential harm to pupils by taking steps to segregate pupils from visitors.

The school will adhere to the Prevent Duty Policy at all times when managing the risk of potential harm to pupils from visitors.

4. Visiting Procedures

All visitors to the school, including parents, will comply with the following procedure:

- immediately report to the school reception area on arrival
- provide their details to the school office staff, including:
 - name
 - purpose of visit
 - name of pupil the visit pertains to/staff member who arranged the visit
 - expected length of visit
- sign-in using the digital sign in app
- display ID badges provided at all times while on school property
- sign-out using the digital 'Sign In' app upon departure
- return ID badges to the school office before departure

Visitors will be briefed prior to the visit on any requirements, such as proof of identity, they should be aware of and provided with a copy of relevant procedures, e.g. a summary of key safeguarding and health and safety information.

Visitors will be made aware of relevant school policies, including those in relation to health and safety, reporting a concern and emergency procedures.

Visitors will be advised that the school is a non-smoking, non-vaping area and they are not permitted anywhere within school grounds.

Prior to the visit, all visitors will be made aware of any specific parking arrangements which the school has in place.

5. Exceptions

Visits to the school by contractors will be managed in line with the Contractors Policy.

Visitors attending scheduled open days, sports events or other 'by-invitation' school activities will be exempt from the visiting procedures outlined in the visiting procedures section of this policy.

Anyone attending school events will be instructed to keep to the areas of the school grounds where the events are taking place (eg the sports field, school hall).

6. Unidentified Individuals

It is the responsibility of all staff members to politely question any individual who enters the school premises unaccompanied and/or without a clearly displayed name badge.

Any such visitors will be directed to the school office where they can sign-in.

If a visitor cannot be identified, the headteacher will be informed immediately.

If a visitor refuses to report to the school office, or becomes aggressive or abusive, they will be asked to leave the premises, and the police may be called to assist.

7. Visitor Conduct

Visitors to the school will be required to act in accordance with the school's Code of Conduct and other relevant school policies at all times.

The school reserves the right to escort individuals from the premises who act in an aggressive or threatening manner towards staff members, pupils, governors, parents or other visitors.

Under section 547 of the Education Act 1996, it is an offence for any person to cause a nuisance or disturbance on school premises; therefore, the police may be contacted to assist in the removal of individuals from the premises, where necessary.

In the event of persistent occurrence of unacceptable behaviour on the school site, the school has the right to request a banning order from the LA for the individual in question.

8. Monitoring and Review

This policy will be reviewed by the headteacher annually. The next review of this policy is shown on the front cover of this policy.

Amendments to the policy will be communicated to all relevant stakeholders.
