GENERAL CONSENT FORM  
Park Road Community Primary School

Child's name: .....

At **Park Road CP School** we are pleased to participate in the Government's Fruit and Vegetable scheme.

Every child aged four to six in a maintained school is entitled to receive a free piece of fruit or vegetable each school day. The initiative is to encourage children to eat healthily and this will help towards their "5 a day". It is hoped that by educating children of the benefits of healthy eating, they will continue to eat healthily in the future.

Your child will be offered a fresh, good quality piece of fruit or vegetable each day and we do not expect the scheme to disrupt the normal school day in any way.

The scheme is voluntary and there is no obligation for your child to take part, although it is hoped they will share in our belief that it has many benefits of healthy eating.

It is essential that you inform us of any allergies your child may have so that we can ensure they are not given anything that may harm them.

To the best of my knowledge my child has no known allergies to fruit or vegetables

Please tick

# E-SAFETY PARENTAL CONSENT FORM

## Park Road Community Primary School

### Parent//Carer consent form and E-safety Rules

All pupils use Information and Communication Technology (ICT) equipment, including Internet access, as an essential part of learning, as required by the National Curriculum. Both pupils and their parents/carers are asked to sign agreements to show that the E-safety Rules have been understood and agreed.

Parent / Carer name: .....

Pupil name: .....

Computing, formerly known as ICT, is an integral part of teaching and learning at Park Road. The children benefit from a wide range of technical resources, with online capabilities at the centre of their learning. We work with the children to develop their e-safety knowledge and how to be safe on the internet and use the SMART approach (please see page 12). However, access to the internet and other e-learning resources requires training, guidance and advice to ensure that everyone learns in a safe environment. Along with the training the children receive within school, we have compiled a list of sites which offer guidance to children and parents on the safe use of e-learning tools—please have a look:

[www.parentsprotect.co.uk](http://www.parentsprotect.co.uk) - This site holds lots of good information for parents.

[www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) - If you are a clued up kid or a puzzled pensioner, there is something here to help you get the most from the internet.

[www.bbc.co.uk/cbbc/topics/stay-safe](http://www.bbc.co.uk/cbbc/topics/stay-safe) - Learn to stay safe whilst you use the internet with Hacker and the Horrible Histories team.

[www.getsafeonline.org](http://www.getsafeonline.org) - Most government websites are boring, but this one is great for your parents to learn how to keep you safe online.

[www.kidsmart.org.uk](http://www.kidsmart.org.uk) - Top tips, from downloading software to social networking, it's all here.

[www.childnet-int.org/kia/primary/](http://www.childnet-int.org/kia/primary/) - Do you think that you 'know it all'? Then check out the childnet site to see if you are right.

[www.nspcc.org.uk](http://www.nspcc.org.uk) - Very useful site for parents, with information on the risks of modern technology and how to keep children safe.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, restricted access email, employing appropriate teaching practice and teaching E-safety skills to pupils.

I understand that the school can check my child's computer files, and the Internet sites they visit and that if they have concerns about their E-safety or e-behaviour that they will contact me.

I understand the school is not liable for any damages rising from my child's use of the Internet facilities.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's E-safety.

This privacy notice explains how we collect, store and use personal data about you. We (Park Road CP School) are the 'data controller' for the purposes of data protection law.

### **The personal data we hold**

We hold some personal information about you to make sure we can help you learn and look after you at school.
