Discussion	<p style="text-align: center;"><i>Class feedback:</i></p> <p style="text-align: center;"><i>Request that there was a separate corner for football on the playground. Indoor activities on cold days at lunchtimes as we had before pandemic A family fun day Windows and doors in outdoor classroom Clubs at breaktime/lunchtime- but children to run these Lego at lunchtimes Worry/friendship bench Separate basket ball nets Mindful time/yoga clubs or at lunchtimes</i></p>	
Proposed action	<p>Mrs Parkinson to speak to MDAs about possibility of separate corners for football.</p> <p>Lego has been out today! We will keep putting different areas out at lunchtimes and a quiet space to draw. We might not do this inside as we head towards the summer term, but put this in the outdoor classroom so this is a quiet space at lunchtimes.</p> <p>We are looking at putting up a ‘mindful’ tented area, for you to spend quiet and mindful time in at lunchtimes. This will go up in the Summer term.</p> <p>We have already have a date for a ‘family fun day’ to celebrate the Queen’s jubilee at the end of next half term.</p> <p>The Values team is going to be running a KS1 and a KS2 values/arts lunchtime club. We will look at the Happiness team possibly doing the same.</p> <p>We will try to buy a new friendship bench, as our old one ‘broke’.</p> <p>Mrs Parkinson is trying to find someone to run a Yoga club at lunchtimes/after school.</p> <p>The Happiness team talked about running a ‘Make People Happy’ club. We will talk about this more in the future, once we have set up our Happiness café.</p> <p>Reuben suggested we had a ‘token’ system, like the ones they have in supermarkets where you get a token and can use this to ‘vote’ for a charity. Perhaps children can ‘vote’ on what they would want in a club? Mrs Parkinson is going to look into how we can set this up.</p> <p style="text-align: center;">Great feedback everyone! 😊</p>
