The value for this half term is

*** HONESTY ***

Picture News

Next week's Picture News topic is

'Do all inventions have a positive impact on the world?'

A £16 billion proposal to build a huge solar power station in space is being explored by the government, the science minister has said. George Freeman, an investor who was appointed minister for science, research and innovation last year, said his department had met with a group that wants to develop a solar farm in orbit, which would beam renewable energy back to Earth. It is thought that by the mid-2040s, it should be able to deliver about 30GW of continuous power straight from space.

Things to talk about at home

- ◆ Do you think that using solar panels in space is a good idea for generating energy?
- ◆ Can you make a list of different inventions that you use every day?
- ◆ What is your favourite invention? Why is it your favourite?
- ◆ Can you think of anything that you would uninvent? Why?

Happiness Café

The Happiness team are very excited to be holding their first Happiness Café on Thursday 7 April from 3.15 pm for KS1 (Reception, Year 1 and Year 2) parents, carers and families. There will be drinks and snacks on sale in the school hall and all monies raised will be donated to Ukraine. There will be an activities table available for younger children. Their café next half term will be for KS2 parents and children.

If you would be able to donate any cakes for the Happiness Café, please could you drop them off to the school office on Wednesday morning. Thank you.

Clubs

We are still fine tuning next half term's clubs and will send the details out next week. The clubs will start up w/c Monday 25 April and will be available to book over the Easter break - please see next week's newsletter for details.

New Covid Guidelines From 1 April

The latest guidance from the Government is:

- ♦ adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- ♦ children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- ♦ adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice is 3 days.

Hot Chocolate and Cake

Mrs Parkinson's Hot Chocolate and Cake winners are:

Reception	William J
Year 1	Noah S
Year 2	Megan S
Year 3	Matildah D

Year 3	87.1%	95.3%	95.8%
Year 4	92.5%	94.1%	96.7%
Year 5	91.0%	94.0%	95.4%
Year 6	89.0%	92.2%	94.6%

Raring to Go

Raring to Go's spring digital magazine is full of great ideas to enjoy everything that Spring offers... crafting, gardening and enjoying park life that's just on the doorstep.

They have a great feature on '10 ways to love the Earth' (page 26) to encourage everyone to get out and about and learn more about the environment in a fun way along with lots more things to do

The link is below and they also recommend trying the Bundt cake on page 19!

'APPROACHES TO DEALING WITH CHALLENGING BEHAVIOUR'

Wednesday 18th May 2022 (6.30pm – 8.30pm)
Woolston Community Primary School, Barnfield Road, WA1 4NW
www.woolstoncp.co.uk

This course is for parents and carers who have children with Special Educational Needs and/or a disability (SEND).

The aim of the workshop is to have a better understanding of the term challenging behaviour, to gain a greater understanding and to provide an insight into the potential reasons for these behaviours.

If you come away with one new idea that helps...then it's worth coming!

Course Leader: Craig Ashurst
Craig works for Warrington Local Authority as part of the Short Breaks service at Westland Drive. Craig has delivered several talks in the authority on 'Approaches to dealing with challenging behaviour' and is involved in training within both the areas of autism and behaviour within the Local Authority.

To book a place on the course please click on the link below.

<https://www.smartsurvey.co.uk/s/wbcbcoursewoolstoncps/>

Unfortunately, if you have not booked onto the course (via the link above) you will be turned away on the night. If you cannot attend on the night please contact the school office to make them aware as there is likely to be a waiting list of parents/carers wanting to attend.

School number: 01925 837764

School email: woolstoncprimary@onecommunitytrust.co.uk

We are limiting the number of places on the course to allow social distancing and to ensure good ventilation is maintained. This course is being delivered free of charge by Woolston Community Primary School and Warrington Borough Council.
