## The value for this half term is \* **Forgiveness** \*

### Jubilee Event

We hope you all enjoyed our Jubilee Event - here are some photographs of the fun we had. Well done to all of the children for their performances - it was lovely to have our families back in school.

### School Photographs

The class and group photographs have been sent home yesterday with the children. If your child was off on the day the photograph was taken and hasn't received a copy but you would like to see the proof, please let the school office know either by email or Seesaw and we would be happy to arrange one for you.

### Requests for Work

As you are aware, during the Covid pandemic, teachers would set work for children who had to isolate for a period of time. Now that the need to isolate is not necessary when you come into contact with Covid, teachers will no longer be setting work when children are off school.

If a child is ill, the time they are off is needed for them to fully recover before returning to school.

Please note that under no circumstances will work be set for children who will not be in school because of unauthorised holidays during term time.

### **Plea for Summer Holiday Items**

Year 1 will be packing a case for their Summer Holidays and would appreciate any donations of summer clothes, sunglasses, shorts, armbands, strappy tops, empty sunscreen bottles, sun hats etc.

### **Hot Chocolate and Cake**

Mrs Parkinson's Hot Chocolate and Cake winners are:

Reception	Darcy L
Year 1	Jessica H
Year 2	Isla L
Year 3	Bea G
Year 4	Faith C
Year 5	Alfie D
Year 6	Mia K

### **The MAT Factor**

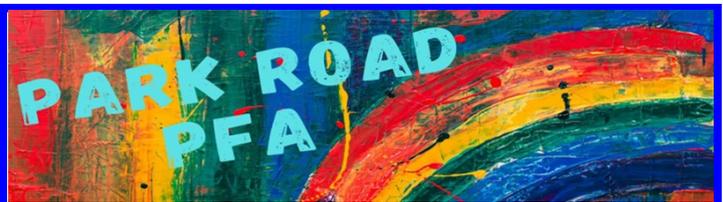

This year's MAT Factor (singing competition) will be held on Thursday 9 June at 6 pm for all of the schools in the Omega Multi Academy Trust: Park Road, Great Sankey High School, Burtonwood Primary, Westbrook Old Hall Primary and Chapelford Village Primary.

The school choir will be representing Park Road at the event and parents/carers are able to come along to watch. Tickets can be bought from the office at £5 per adult and £3 for children. If you would like a ticket, please send cash in an envelope clearly marked the MAT Factor. Please include your name, your child's name and the number of child and adult tickets you require.

The event lasts until 8.15 pm but as our performance is in the first half, there is the option for children to leave at 7 pm in the interval.

### **Picture News**

Picture News has a break over the holidays. We hope you've enjoyed the topics and discussions that you've had with the children. We will send the next topic out after the half-term break.

### **Non Uniform Day**

On Friday 10 June, the PFA are holding a Non-Uniform Day in exchange for chocolate for the Summer Fair. If you do not wish to take part by sending chocolate into school, your child should come to school dressed in their uniform.

### **Thank You**

Ellis, a former pupil at Park Road and his friend Jess would like to say a MASSIVE thank you to Park Road primary school!

They both enjoyed coming into school last week to give an assembly about the

World Scout Jamboree in South Korea. They have both been selected to attend next year, and have to fundraise almost £9000 to secure their places.

They loved sharing the amazing opportunity that they have been given and telling you all about their future fundraising plans.

Thank you to everyone who has supported them so far and to help make this once in a lifetime opportunity become a reality.

With the non-uniform day and sweet sales, Park Road school raised a massive £363!!!

**THANK YOU!**

Please see the next page on the newsletter for details of a fundraising Craft Fair at Penketh Methodist Church on Saturday 28 May.

## Free Half Term Fun at Beth Tweddle Gymnastics

Looking for free half term fun for the whole family in Widnes? Beth Tweddle Gymnastics are opening their gymnastics centres up for free playtime during half term! Children of all ages are invited to get moving and burn off all that extra half term energy at their Open House events.

They have a HUGE floor space of amazing gymnastic equipment, soft play, trampolines, beams, bars and loads more...designed just for kids. For families with babies and toddlers, our soft play and sensory area will also be open to explore, so the whole family can come along.

Don't worry if your child has never tried gymnastics before, these sessions are a fun and positive introduction to fitness and movement in an encouraging environment.

Little ones aged 0-4 need to be supervised, but for parents of children aged 4 plus, you can take a seat in their comfortable viewing area and relax for a few moments with a hot drink.

It's not often that they open their amazing gymnastic facilities in this way, so please book your space to secure your spot by visiting the website below
