- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

# Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

## 1. Legal framework

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:
  - DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
  - DfE (2020) 'Adapting teaching practice for remote education'
  - DfE (2020) 'Guidance for full opening: schools'
  - DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
  - DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
  - DfE (2020) 'How schools can plan for tier 2 local restrictions'
  - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
  - Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

## 2. Contingency planning

- 2.1 The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.

- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

#### **Tier 1 local restrictions**

- 2.6 The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time, other than in the case that a class or 'bubble' is self-isolating due to positive case being confirmed. In this case, adapted remote learning will be set, in line with school's Continuation of Learning principles and Strategy document.

#### **Tier 2 local restrictions**

- 2.7 The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time, other than in the case that a class or 'bubble' is self-isolating due to positive case being confirmed. In this case, adapted remote learning will be set, in line with school's Continuation of Learning principles and Strategy document.

#### **Tier 3 local restrictions**

- 2.8 The school will remain open if tier 3 restrictions are in place, and remote learning will not be provided at this time, other than in the case that a class or 'bubble' is self-isolating due to positive case being confirmed. In this case, adapted remote learning will be set, in line with school's Continuation of Learning principles and Strategy document.

#### **Tier 4 local restrictions**

- 2.9 The school will limit on-site attendance to just vulnerable children and young people. All other pupils will receive remote education in line with section 3 of this appendix.

### **3. Teaching and learning**

- 3.1 All pupils will have access to high-quality education when remote working.
- 3.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:

21. Pre-recorded video or audio lessons

21.1 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

- Set assignments so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.

21.3 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

21.4 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.

21.5 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

21.6 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.

21.7 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:

- Pupils in Years 3 to 11
- Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
