This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
SEND focused activities and days.	Increased participation in SEND after school clubs.	High turnout and engagement of SEND children in our weekly after school Disney Shooting Stars club.
Participation in competitive sport	There are plenty of opportunities for children to get involved in competitions outside of school, such as netball tournaments, football tournaments and athletics tournaments. Three competitive competitions were entered this year and we came second in our athletics and football tournaments. Children were supported with this through after-school clubs.	Children were provided with the chance to play competitive sports outside of school settings, allowing them to be challenged by other children of a similar age to themselves.
Sports clubs and competitions were provided exclusively for girls.	Our after-school girls' football club aimed at Y4 girls showed a high level of participation. From this, we were able to take part in a girls' football tournament with 10 other schools, coming second.	Increased confidence with girls in sports, allowing good relationships to be made between staff and pupils (particularly with our PE apprentice).
A broad range of activities organised for children.	A range of after school clubs which change each half term means a wide range of activities can be tried by most children. Our	Children have been excited to try something new, allowing each child across school to experience something

<p>Increased confidence among staff with delivering PE lessons and after-school clubs.</p>	<p>PE experience day in the summer term allowed children to experience a range of activities they have not tried before, such as Kinball. In addition, our lunchtime zones allow children to choose an activity they wish to participate in, keeping them active and engaged throughout their lunchtime.</p> <p>New staff have felt more confident with delivering PE lessons, particularly with the Real PE sessions, due to watching a session modelled by an expert.</p>	<p>new. Older children can take on more responsibility, supporting staff if needed, developing management skills for later life.</p> <p>New staff know when and why skills are reviewed and the impact this has on the lesson's game aspect.</p>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	90.6%	<i>One child was unable to participate due to health reasons.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	71.9%	<i>Most children can use a range of strokes effectively.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>71.9%</p>	<p><i>Most children could perform safe self-rescue in different water-based situations.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>
