

# The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department  
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
-----------------	--------	----------

<p>To increase the participation of girls within physical activity as well as their physical literacy.</p>	<p>43% increased participation within physical activity from girls across school.</p>	<p>This year, we want to increase this further and encourage more girls to engage with physical literacy.</p>
<p>To increase the participation of children with SEND within physical activity.</p>	<p>Children with SEND participated within Primary Ability Days through Livewire and Disney Stars. Children have developed confidence within physical activity.</p>	<p>Through working with the SENCo, we have identified the positive impacts that the Disney programme has had on children. Primary Ability Days must be attended to continue the confidence of children with SEND.</p>
<p>School games Gold mark achieved.</p>	<p>School games mark widely celebrated through school, social media and newsletter.</p>	<p>This year, we would like to strive for Gold again, ensuring we are meeting the criteria for School Games.</p>

## Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p>To provide CPD for new staff who may require training within Real PE.</p> <p>To ensure subject lead is up to date with CPD.</p> <p>To ensure all staff have access to CPD.</p>	<p>Purchase support Warrington PE membership package for teaching and learning of PE:</p> <p>Subject leader CPD throughout the year.</p> <p>Network meetings for PE lead attended.</p> <p>KM to upskill IS within PE lead role.</p> <p>KM to mentor JB within PE apprentice role.</p> <p>JB to attend Real PE webinars.</p> <p>Livewire to support new staff in the delivery of Real PE through half a day of modelled teaching.</p> <p>JB Disney stars training for after school club.</p>	<p><b>Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b></p>	<p>Subject leads lead effectively within PE and are upto date with CPD.</p> <p>IS and JB will feel confident to continue the PE work within school.</p> <p>New staff feel confident within the delivery of Real PE.</p> <p>Disney Stars programme run effectively for children with SEND.</p>	<p>£2,978 for Livewire SLA</p> <p>No cost for in school CPD</p> <p>£1300 for Forest School training</p>
<p>To continue to support staff members' planning for the subject in order to increase the variety and quality of lessons being taught across every year group.</p> <p>To ensure progress across</p>	<p>Jasmine Real PE online resources purchased for fundamental movement skills planning.</p> <p>Creative steps package purchased for dance planning.</p> <p>KM and IS to develop use of Real PE</p>		<p>Children make good progress across the PE curriculum and can apply their skills to a variety of sports.</p> <p>Children can self-evaluate their skills and recognise their success. Children understand</p>	<p>£435 for Jasmine Real PE resource</p> <p>£180 for Creative Steps resource</p> <p>Within Real PE membership</p>

<p>skills are met by pupils through an assessment of fundamental movement skills.</p>	<p>assessment wheel. KM and IS to support staff to monitor gaps within skills across school and provide in lesson interventions through JB.</p>		<p>success is different for everyone and challenge themselves to work on their own skills.</p>	
<p>To ensure pupils across school are meeting government health recommendations of daily physical activity.</p>	<p>PE lead and Sports Crew to develop an active play rota for break times following surveys of classes. KM and IS to support JS in running physical activities at break times. Children to be surveyed through Koboca for interest in activities and clubs - Clubs to meet this interest through PE lead and/or external company.</p>	<p><b>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</b></p>	<p>Staff have an awareness of how key skills are built on and the foundations children need to know to progress. Children report positively about active play and lunchtimes. To continue to improve the delivery of structured lunchtime physical activities. Sports crew to support the running of physical activity at lunchtimes.</p>	<p>No cost £315 for equipment No cost for Koboca</p>
<p>To encourage children who are the least physically active have access to clubs and activities.</p>	<p>JB to provide a range of after school clubs across school to meet a variety of interests. To identify skills children are not confident and competent in through skills assessment model and provide</p>		<p>Least active children will develop confidence, improve their physical activity levels and gain new interests.</p>	<p>No cost for JB clubs No cost for in school support</p>

<p>To increase the physical confidence and competency of upper Key Stage Two pupils to help their transition into high school.</p>	<p>interventions for these skills.</p> <p>KM and IS to organise Experience day for the summer term to focus on building resilience and leadership skills for Y5/6.</p> <p>Intra-house competition to be implemented for KS2.</p>		<p>Children will be confident leaders, team players and achieve in competition.</p>	<p>No cost</p>
<p>To ensure children in EYFS are physically competent prior to moving into Year 1.</p> <p>To ensure children in KS1 are physically competent prior to moving into Year 3.</p>	<p>Disney inspired Shooting Stars by England Football programme ran weekly for identified children to increase physical literacy and fundamental movement skills.</p>		<p>Children leave EYFS with strong fine and gross motor skills.</p> <p>Children in KS1 are active and engaged within physical literacy for their transition to KS2.</p> <p>To continue to monitor physical development across Reception.</p> <p>SA to support KM, IS and JB in the programme and identify children who would benefit from the programme.</p>	<p>No cost for Disney Stars</p>
<p>To increase the participation of girls within physical activity as well as their physical literacy.</p>	<p>To use pupil voice to identify clubs girls want to engage in, as well as their views for active play and lunchtimes.</p>		<p>Girls will feel more confident within engagement of physical activity and will apply these skills to their PE lessons.</p>	<p>No cost</p>
<p>To support JB (PE</p>	<p>KM and IS to support JB in assessment,</p>		<p>JB will develop his own skills</p>	<p>£11812 for PE apprentice</p>

<p>apprentice) in supporting teachers delivering PE and increasing activity levels across school.</p> <p>To increase the participation of children with SEND within physical activity.</p> <p>To celebrate sporting achievements of children across school.</p> <p>To have an inspirational speaker deliver an assembly to inspire children.</p>	<p>delivery of clubs, activities and supporting teachers deliver the NC.</p> <p>Warrington Primary ability days attended.</p> <p>Sports Crew to discuss how we can celebrate achievements in school. Ideas include the introduction of PE values and celebrations of PE values. SC to promote vales for each half term.</p> <p>JB to continue to develop PE star of the week linked to values.</p> <p>Gold School Games Mark is applied for, achieved and celebrated widely across school.</p> <p>Visit from Warrington Wolves to promote anti-bullying and our school values.</p> <p><b>KM TO LOOK FOR POTENTIAL OTHER SPEAKER</b> – Potential Jodie Cunningham (Rugby player)</p>	<p><b>Key indicator 3: The profile of PESSPA being raised across the school as a tool for whole school improvement</b></p>	<p>within delivering clubs, activities and the support of teachers delivering the NC. JB will also develop his own confidence and activity levels will increase across school through play and lunchtimes.</p> <p>Children with SEND develop their fundamental movement skills and increase their emotional and physical literacy.</p> <p>PE values are celebrated throughout school – each half term values are celebrated within assembly.</p> <p>School games mark is celebrated with governors, staff and children.</p>	<p>No cost</p> <p>No cost for celebration of achievements</p>

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
SEND focused activities and days.	Increased participation in SEND after school clubs.	High turnout and engagement of SEND children in our weekly after school Disney Shooting Stars club.
Participation in competitive sport	There are plenty of opportunities for children to get involved in competitions outside of school, such as netball tournaments, football tournaments and athletics tournaments. Three competitive competitions were entered this year and we came second in our athletics and football tournaments. Children were supported with this through after-school clubs.	Children were provided with the chance to play competitive sports outside of school settings, allowing them to be challenged by other children of a similar age to themselves.
Sports clubs and competitions were provided exclusively for girls.	Our after-school girls' football club aimed at Y4 girls showed a high level of participation. From this, we were able to take part in a girls' football tournament with 10 other schools, coming second.	Increased confidence with girls in sports, allowing good relationships to be made between staff and pupils (particularly with our PE apprentice).
A broad range of activities organised for children.	A range of after school clubs which change each half term means a wide range of activities can be tried by most children. Our	Children have been excited to try something new, allowing each child across school to experience something

<p>Increased confidence among staff with delivering PE lessons and after-school clubs.</p>	<p>PE experience day in the summer term allowed children to experience a range of activities they have not tried before, such as Kinball. In addition, our lunchtime zones allow children to choose an activity they wish to participate in, keeping them active and engaged throughout their lunchtime.</p> <p>New staff have felt more confident with delivering PE lessons, particularly with the Real PE sessions, due to watching a session modelled by an expert.</p>	<p>new. Older children can take on more responsibility, supporting staff if needed, developing management skills for later life.</p> <p>New staff know when and why skills are reviewed and the impact this has on the lesson's game aspect.</p>

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	90.6%	<i>One child was unable to participate due to health reasons.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	71.9%	<i>Most children can use a range of strokes effectively.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>71.9%</p>	<p><i>Most children could perform safe self-rescue in different water-based situations.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>
