Unique Individuals Learning Together

Mrs. Quigley's weekly message:

We've come to the end of another lovely week in school, with our school concert ending the week! I hope you enjoyed watching the children perform—their singing and dancing was just wonderful. Thank you to everyone who was able to attend—I know it was a hot one, but I am so glad we were able to move it and allow the concert to go ahead before it was too hot.

This week our Y3 class visited Liverpool World Museum, they had a fantastic visit. I had a lovely email from a member of the public saying how wonderful the children were, and how enthusiastic. I am not surprised, but it's always nice to receive compliments! Y4 visited Jireh Church as part of their RE learning. They thoroughly enjoyed the visit, and the church community were so welcoming and kind. A huge thank you to the church for welcoming our children in and giving them such lovely opportunities to support their learning.

On Monday next week we have a PE Experience day, which Miss Shirley has worked hard to organise. All children need to come to school in PE kits, with hat, water bottle and suncream applied. I'm sure it will be a brilliant day as always.

We also have the colour run on Tuesday. It will begin at 2.00 pm for Y3-6 and then 2.40 pm for YR—Y2 (Y6 will run with their buddies and support them). If you haven't filled in the form, please do so as your child cannot take part without the form completed. The link is shared within the newsletter again.

The flower show was a huge success last week and I am pleased to announce the winners on the next page. However, every display was so good and the children should be very proud of themselves.

Finally, this term, the winning house team are Vikings. Well done to the team who have earned themselves an own clothes day next Wednesday.

It looks like the hot weather is going to continue next week, so children can continue to wear PE kits if that is the cooler option for them.

Have a lovely weekend and I will see you Monday. Mrs Quigley

Picture News

The Picture News topic for next week is ...

'How can we travel while protecting nature'

People living in remote parts of the Amazon rainforest in Ecuador are using solar-powered canoes to travel along rivers. The boats use energy from the sun instead of petrol, making journeys quieter and creating less pollution. The project is helping people travel while protecting the rainforest and has inspired other communities in the Amazon to try similar ideas.

Things to talk about at home...

- * How do you usually travel to school, work, or the shops? Why do you or the adults you travel with choose those ways?
- * Can you think of any journeys that could be different to help protect nature?
- * If you could invent a new way to travel that was kinder to the planet, what would it be like?

Meet the Teacher

On Wednesday 15 July, you have the opportunity to meet your child's new teacher as well as discuss your child's report if you need to.

The teachers will be available anytime from 3.30 – 5.00 pm and you are free to drop in to speak to them, they will be holding a short presentation, as per the timetable below, with lots of information about the coming academic year including the learning expectations and the curriculum.

Time Class

3.30 pm Year 3

3.45 pm Year 2

4.00 pm Year 1

4.15 pm Year 4

4.30 pm Year 5

4.45 pm Year 6

It would be great to see parents and families in school for this, as we know that making a connection with teachers and building a strong relationship between them and parents, gives the best start for children in the new academic year.

Karate competition

Well done to Hayden in Year 3 who competed in a Karate competition on Sunday 28 June. He competed in Kata, Kumite and Jukuren. It was his first competition, he learnt lots and got to the semi-final of the Kumite winning a Bronze medal.

Flower Show Winners

Thank everyone who came to our Flower Show - we had a lovely afternoon and hope that you did too.

The winners for the categories were:

Guardians of the Future - Year 3

Wonder of Nature - Reception

A Life on our Planet - Year 5

Most Creative - Year 2

Congratulations to everyone involved!

The 7 Day Challenge

Brianna Ghey
Legacy Project

This summer, children across the UK are taking on a challenge:

No scrolling. No endless notifications. More real life.

Get Sponsored. Raise Money. Make a Difference.

Ask friends and family to sponsor you while you:

- Spend more time outdoors
- See friends face-to-face
- Get creative
- Reconnect with family
- Take a break from screens

Why Take Part?

Children spend around 35 HOURS A WEEK on smartphones
One week of putting your phone down could mean:
Better sleep • Less stress • More confidence • More real-world connection

This Is Not About Perfection

It's about trying something different. A week to:
Look up • Slow down • Reconnect • Have fun offline

Starts: First week of the summer holidays: Sunday 26th July 2026

Sign up and learn more at <https://www.briannaslegacy.org/the-7-day-summer-challenge>

All funds raised support the Brianna Ghey Legacy Project, promoting positive mental health in young people.
