Start of the School Day - Please Read!

From Monday 14 November, children should go directly to the classrooms in the morning and not wait on the playground. Staff have found that on wet days, the children are much more settled after coming directly to the classroom and it has a positive start to the day.

The gates will continue to open at 8.35 am as currently and KS2 children will go directly into their classrooms rather than to the playground. KS1 parents will continue to take their child(ren) onto the playground but instead of waiting with them, they will go directly into the classroom. Members of staff will be available if there are any messages to be passed on.

The gates will continue to be closed at 8.45 am as they are currently.

Emotion Coaching

In a previous Weekly Update, we mentioned Emotion Coaching and thought it would be useful to explain that Emotion Coaching is a technique that manages behaviours by understanding emotional responses.

Anti-Bullying Week

Monday 14 November marks the beginning of Antibullying Week and to acknowledge this, children are invited to come to school in odd socks. It's a great way to celebrate what makes us all unique in Anti-Bullying Week! The theme for this year's Anti-Bullying Week is 'Reach Out' and there will be activities about this in the classroom throughout the week.

Parent Workshops

Thank you for the responses to our survey on parent workshops that we were considering running. The results were positive and we are now putting in place a programme of half termly events starting next half term.

There was one suggestion was to hold workshops on other subjects such as first aid, SEN in schools for non SEN children parents and behavioural techniques training. As a result, we will be including a programme of other workshops not just wellbeing. There may be a small cost involved for some of these workshops.

Picture News

The Picture News topic is

'Should we ever have to change our appearance?'

Pupils in schools should not be unfairly singled out for having afro hair, the Equality and Human Rights Commission (EHRC) has said in new guidelines for schools. The EHRC reported that rules banning certain styles are likely to be breaking the law. This includes styles such as afros, braids, cornrows, plaits, locks and head coverings. The new guidance was announced to help schools in England, Scotland and Wales ensure their hair policies are fair.

Things to talk about at home:

- * Have you, or do you know anyone who has, had to change your/their appearance for work or for school?
- * Share your thoughts on the new changes, do you think it's important these guidelines are given to workplaces and schools?

It is Children in Need Day on Friday 18 November and children are able to come to school in their own clothes (this can be spotty, Pudsey clothes or their favourite outfit but please remember that the outfit should still be appropriate for a day in school) in exchange for a minimum donation of £1 per child via the Parentpay link below (please feel free to donate more!). If your child would like to take part, you can make your donation by clicking the link below and the money is paid directly to Children in Need (you don't need to have a Parentpay account to make a payment on this link).

Family Yoga

We are exploring the possibility of running a family Yoga session after school next half term on either Tuesdays or Thursdays at 3.15 pm. There would be 1 parent/carer/adult family member to a maximum of 2 children, with a cost per session of 50p per person attending. **If you would be interested in signing up for this ...** please can you contact the school office on Seesaw or by email (office@parkroadprimary.co.uk) with your details, the number attending and which days you could do - please only reply if you will sign up as we need to gauge if the club is viable.

Following on from our recent survey we have taken the feedback on board and have reached out to some external companies who will also be attending- handmade soaps and wax melts, jewellery, cakes/bakes, wooden personalised tree decorations and body shop at home are all hoping to join us. **EVERYONE IS WELCOME**, please bring your families, nans, grandads, aunts, uncles, neighbours and bosses! Christmas Disco

Christmas disco is being held on 15th December.

KS1 is 4:30-5:30 with doors opening at 4:15

KS2 is 6-7 with doors opening from 5:45

This is a **wrist band only** event and there will be **NO** on the door sales. The cost is £3.50 per child which includes entry, hotdogs, drinks and fun/prizes. We will have a fun shop where children can buy some items - more details and photos/prices to follow. A link for wristband sales will be sent out soon - please watch out on Seesaw. The volunteer sign up sheet is accessible on our Facebook page should anyone wish to help run the discos - all jobs needing a volunteer are clearly outlined with time needed and the durations.

As per all events, volunteer help is vital and without it our events are impossible to run.

Have a lovely weekend
