Value of the half term:

Courage

ROAD SAFETY - IMPORTANT PLEASE READ

There has been 2 further incidents that have been near misses involving children outside school. Earlier in the week, a grandparent pulled onto the pavement to park between cars and narrowly missed a child, who had been walking on the pavement with an umbrella - unable to see the approaching car. Today, a parent was crossing the road near school and was unable to see clearly because of the number of cars parked along the road. They edged forward with their children to see better and a speeding car narrowly missed one of the children.

Please could we respectfully ask that ...

- ideally you do not drive on the road past school (use Park Road and the entrance near to the One Stop to access Wroxham Road and the car parks)
- you DO NOT park at the front of school (there is ample parking at either entrance to the Tim Parry park)
- you observe, or ideally drive slower than, the 20 mph speed limit
- that under no circumstances you drive on

the pavement (particularly not to park) - please also pass on to whoever may drop off

All incidents have been reported to the police. Please note, if you do witness an incident, please make a note of the registration number, time, description of what happened and report it on 101 to the local police.

Please help us to prevent a serious accident, a few seconds on to your journey is worth the life of a child.

Stress Management and Resilience Building

Don't forget that our first Parent Wellbeing Workshop covering stress management and resilience building is on Tuesday evening from 6.30 pm to 8 pm in school. The course will help you to understand stress, how it impacts on your body and simple techniques to help you to cope better. By using these techniques in every day life, it can help to build your resilience and minimise the impact of stress - it could also help you to introduce these techniques to your children. There will be refreshments offered during the workshop and we do hope that you will be able to make it.

Picture News

The Picture News topic is

'Do we throw things away too easily?'

Many of us are increasingly reusing, repairing and upcycling items, instead of throwing them away and replacing with new ones, according to experts. Upcycling shop, the Repair Café in Wales believes, that because of the cost of living crisis, people are making the most of what they already have. Throwaway culture has been the norm since the 1950s but now appears to be declining.

Repair cafes are free meeting places, where people can repair things together. At a repair café's location, tools and materials are provided to make any repairs needed. Expert volunteers, with repair skills in all kinds of fields, can be found ready to help.

Things to talk about at home:

- * Do you think repair cafés are a good idea?
- * If there were a repair café near you, would you use it? What types of things might you take?
- * Do you have any repairing skills? Is it something you would like to learn?

Year 3 Class Assembly

The Year 3 Class Assembly will be held on Thursday 19 January at 2.50 pm. Parents, carers and families of Year 3 are invited to join us to watch the assembly. Entry will be via the KS2 gate at 2.45 pm. We hope you can join us.

Hot Chocolate and Cake

This week's winners are:

Reception	Ava H
Year 1	Clara S
Year 2	Sienna J
Year 3	Adam B
Year 4	Chelsea S
Year 5	Charlotte P
Year 6	Hollie D

Kitchen Assistant Vacancy

There is currently a 10 hour per week vacancy for a kitchen assistant (2 hours per day). Start and finish times would be over the lunchtime period i.e. 11.45am-1.45pm or 12pm-2pm. It is a very busy working environment. Duties would include dishwashing both by hand and machine, laundry, some food preparation i.e. slicing of fruit, salad items, clearing of waste food and general cleaning after lunch service. No experience is needed as training will be given. It is anticipated that the position will be Grade 3 SCP 4-5 (which is £10.98 - £11.18 per hour), term time plus approximately 4 additional days.

Please contact Carol on 01925 723550 option 2 for further information.

Families Cheshire Magazine

Please find below the link for January/February's Families Cheshire magazine containing ...

- Creative Valentine fun for kids
