- * **Comic Relief Non-Uniform for £1 donation on Parentpay link**
- * 3.15 - 4.15 pm Y5/6 Crochet

Mrs. Quigley's weekly message:

Unique Individuals Learning Together

This week, we have been celebrating British Science Week with all classes exploring science through the key theme of curiosity. It has been lovely to see children engaging with science and exploring different themes through floating and sinking as well as children in Reception being curious and learning about dinosaurs. I know class teachers have shared lots of images on Seesaw so please do have a look.

Also this week, some of our children represented the school at a Primary Ability Day. They worked with lots of pupils from different schools across Warrington and took part in a number of different sporting activities. Mrs Horner and Miss Jones told me they were very proud of the children for their determination and enthusiasm. Well done everyone.

A special mention must go to our Year 6 children this week who have been continuing to work towards their SATs in May. This week, Mrs Roberts and Mrs Robinson have been very proud of them and how hard they are working. Everyone is giving it their all in their learning and truly being excellent role models to all of our children in school. Well done Year 6.

Miss Cunliffe has worked hard with all the classes in school to create our Primary Arts Network display. She will be sharing some sneak peeks on social media this week, but the final display will be in the Golden Square near JD Sports, from Saturday 21 March until 6 pm on Tuesday 21 April inclusive. Make a note in your diary and pay a visit to see the excellent work produced by the children across school.

Finally, the book fair arrives on Monday so please do come and pay a visit after school. There will be a wide selection to choose from, and don't forget that book vouchers can be used at the fair against any of the books (sorry not the accessories). Park Road receives commission for all items sold and can use this to buy new books for school, so any support you can give is really appreciated.

As always, have a lovely weekend and I look forward to seeing you all at the gate on Monday.
Mrs Quigley

Picture News

The Picture News topic for next week is ...

'What makes something fun?'

This week's news is about Pokémon, which is celebrating 30 years since it was created. First released as a video game in 1996, it has since grown into TV shows, films, trading cards and apps enjoyed by millions of people around the world. Today, both children and adults continue to enjoy Pokémon in many different ways.

Pokémon was first created in Japan as a video game. Its name comes from 'Pocket Monsters', as the creatures were designed to be collected, trained and traded.

Things to talk about at home:

- * Why do you think Pokémon has stayed popular for 30 years?
- * How do games, stories or hobbies bring people together at home?
- * Do you think something can be fun for both children and adults? Why?
- * What are some of the things you find fun to do?

Hot Chocolate and Cake

Well done to the following children chosen this week for demonstrating good manners and our school values at lunchtime:

Reception	Polly B
Year 1	Dottie R
Year 2	Sophie MacM
Year 3	Ava H
Year 4	Freya L
Year 5	Harris S
Year 6	Fabio T

Comic Relief - Friday 20 March

Red Nose Day will be back on Friday 20 March and school is joining in the fundraising fun!

For a minimum donation of £1 per child to Comic Relief using the link below, children can come to school in their own clothes, wearing something red or, if they have it, Red Nose Day clothing. You don't have to be registered on Parentpay to access this link and it also allows you to give Gift Aid to make your donations go further.

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=20407>

As always, please remember that clothing and footwear should be appropriate for school and the usual policy for jewellery/ earrings applies.

Finally, if you do want your child to bring a red nose in with them, please ensure that it has your child's initials and class on them!

Years 4 and 5 Swimming Forms Return

Please could Year 4 and 5 parents/carers return the swimming forms by Thursday 19 March at the latest as data needs to be sent to the organisers so that the systems are set up in time for them to start after the Easter holidays. Thank you.

After School Clubs

Our after school clubs are now live on Parentpay. They will be available to book until 9.00 am Monday 23 March.

Primary Ability Day

A group of children from Years 1 to 5 attended a Primary Ability Day yesterday at Orford Hub. They were given the chance to take part in a range of sports including cricket, football, archery, axe throwing and tennis. Everyone had an amazing time getting active and they all showed great perseverance. Well done everyone!
