Mrs. Quigley's weekly message:

This week we have spent additional time focusing on our mental health as part of Mental Health Awareness Week. Today has ended with a 'sea of green' and some endorphins pumping via a whole school disco outside. We also managed to have playtime on the field and enjoy lots of fresh air—all good things for our mental health.

Our Year 6 children have this week taken their SATs tests. I am so proud of every single child in the class. They were determined, focused and most importantly gave it their all. There was a lot of hard work leading up to this, both in Year 6 and also throughout their Park Road School journey, so to see them brimming with confidence was just wonderful. Even today they came into school ready to carry on learning—of course we didn't do that to them, they have had a lovely day visiting the park and having a picnic lunch.

Finally, I wanted to remind you of a few up and coming events. After half term we have sports day on the afternoon of Tuesday 4 June —fingers crossed for good weather! And we are currently planning our annual musical extravaganza. Last year we were treated to performances to celebrate 100 of Disney and this year we will be taking a journey through the Olympics. Classes will begin practicing after half term, but for now please save the date of Monday 8 July in the afternoon to join us for a whole school celebration.

I believe Sunday is going to be a lovely day weather wise, so enjoy it when it comes, and I will see you Monday, for the last week of this half term. Where is the year going!

Mrs Quigley

Picture News

The Picture News topic for next week is ...

'Is it fair to judge others based on first impressions?'

An all-girls football team has won a league dominated by boys' teams, after going unbeaten for an entire season. The Queens Park Ladies U12s finished top of their table with eighteen wins in the group of eleven boys' teams. They were the only girls' team in the Bournemouth Youth Football League, playing in its third division for under-12s. The players, who train twice a week, have now proved themselves against the other teams.

The all-girls football has been promoted in their first season of the competition. The team have been nicknamed 'The Invincibles' after coming top of their table with eighteen wins, four draws and no losses in the group of eleven teams of boys.

The girls' manager, Toby Green, said he had to fight for his team to be able to compete in the league. Though officials told Mr Green, they had to play in a girls' league, he asserted his team was 'good enough to play against boys every week. They were the only girls' team in the league.

Things to talk about at home:

- * Share your thoughts on why you think some other teams pre-judged the Queens Park Ladies U12s
- * Have you ever experienced a time when someone has made an assumption about you that has been wrong or unfair?

Hot Chocolate and Cake

Well done to the following children chosen this week:

Reception	Tassanai Y

Chicken/Guinea Pig Rota

If you would be able to help to care for our Chickens and guinea pigs over the half-term break, weekends and summer, please could you complete this short form to let us know when you would/wouldn't be able to help <https://forms.office.com/e/pYVQB79q8D>. Thanks.

Reception Class Assembly

On Thursday 23 May, it will be Reception's Class Assembly at 2.50 pm, where the children will showcase what they have been studying over the last half-term. Parents and carers of Reception class are welcome to come along to watch the assembly and the KS1 gate will be opened at 2.45 pm. We hope to see you there!

Disconnect 2 Reconnect -

how to protect your child

We are very lucky to have been offered the opportunity to host a Disconnect 2 Reconnect workshop, which will look at the safeguarding risks for children with mobile phones and offer potential solutions to parents/carers to tackle these issues.

There is a link being sent out with this update for a short online form to register if you would be interested in attending to learn how to safeguard your child. We want as many people as possible to attend so we are asking the best time and the best day of the week for you to attend. We would strongly advise you to come along so we can work together to support both you and your child.

The form is very short and has a bit more information about the event. If you have any questions or have any problems accessing the form, please let us know via the school office.

Without their support and contribution to our event, it would not have been so successful.

The final prepaid bars will be sent through to class to pass to the children. All Golden tickets were placed inside the wrappers of the bars - WE (the PFA) DO NOT know which bars they were in or who would win them, therefore, we do not know any details for anyone claiming prizes.

Your golden tickets are VERY IMPORTANT! If you have won a golden ticket that is a prize related to school, for example class trip to the park, own clothes day for your class or even campfire and marshmallows for you and 5 friends, PLEASE WRITE YOUR CHILD'S NAME AND CLASS ON THE TICKET AND HAND IN TO YOUR CLASS TEACHER. Mrs Quigley will then arrange for these prizes to take place.

If your golden ticket is a "sponsored by" ticket such as Chester Zoo tickets, Gullivers' World tickets, Jungle vouchers etc - please let Kelly or Jade know and we can arrange collection of your prize.

Again thank you to EVERYONE!! The VAST majority of this event was made possible through donations, from the designing to printing. The PFA funded the cost of the chocolate bars. Once we have confirmation of monies raised we will update.

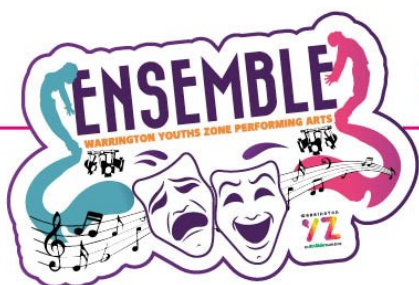

We hope you all enjoyed the event.
