Christmas Performance Tickets

It is already coming around to that time of year - our Christmas Performances! The letters for the KS1 performance (Reception, Year 1 and Year 2) are being sent home in bookbags today.

Although we don't like having to limit numbers of people attending each performance, due to the capacity of our hall and because we have to adhere to fire regulations we can only accommodate 120 spectators for each performance. For this reason, these events will be ticketed and will be limited to two tickets in total per FAMILY. This means that you can choose to have both tickets for 1 performance or 1 ticket for each performance but the total number cannot exceed 2 (if you are bringing any children with you to a performance, they must be included in your 2 ticket total).

Please return the completed forms as soon as possible (sorry we can't accept phone calls, emails or Seesaw messages) and we will allocate the tickets as the requests come in. If there are any tickets remaining for either KS1 performance, they will be available from the school office from 8.30 am on Monday 28 November.

Sickness Guidelines 48 hours off after illness

Please remember that, following the advice of Public Health England, we ask that children are kept off school for 48 hours after the last instance of sickness/diarrhoea.

We ask this for two reasons: firstly, it will prevent the spread of the illness throughout the local community and secondly, to allow your child time to fully get back on their feet.

We do understand that children want to return to school and don't want to miss out but it can set them back, particularly if they are not yet eating properly or returned to full health.

We appreciate your help in reducing the spread of these viruses and please remember to contact the school office (not the teachers) to notify us of any absences and to keep us updated if the illness continues.

World Cup Magic

To celebrate the beginning of the World Cup, each class has taken part in a class sweepstake! Across school, games and activities linked to football and the World Cup will be led by Mr Savage and Miss Mills. Come on England, let's hope they bring it home!

Picture News

The Picture News topic is

'What can football teach us about the wider world?'

The men's FIFA World Cup 2022 starts in Qatar and will run until 18 December. It is the 22nd edition of the competition, and the first played in the Arab world. The 64 matches of the tournament will take place across eight venues in the country. Usually, the event takes place in summer but because of the extreme heat at that time of year, it has been moved to a November-December winter slot, though temperatures will still reach about 25°C. The decisions to stage the tournament in Qatar has been criticised because of concerns over the country's poor treatment of the large number of workers from other countries, employed to help Qatar prepare for the tournament.

Things to talk about at home:

- * Have you been watching the World Cup so far? Share your thoughts on the tournament
- * As the World Cup is held in different countries, do you think it provides and opportunity for people to learn about life in other parts of the world.

We are currently having a refresh of our books in school and have identified some books that we no longer need but are in good condition. We will be displaying the books in the hall on Thursday after school next week so you can come along and take any books that you may like.

The PFA are holding a non-uniform day on Friday 25 November in exchange for a donation of a bottle for the Christmas Fair. The PFA will be collecting the donations on the playground in the morning. PFA Craft Club

A huge thankyou to the children who attend the PFA run craft club, This week we made scarecrow spoons, the children had a great time and created some fantastic spoons

Finally, we are very excited for all the events we will be involved in, alongside school, over the festive period for all the children and families to enjoy. Without the support of our full community, these events and treats would not be possible. The calendar is about to get very busy so I'd like to take a moment to thank everyone in advance for their support.

Have a lovely weekend
