## Mrs. Quigley's weekly message:

Welcome back to the Summer Term—where has the year gone! I know currently it doesn't feel very summery but I am sure with the little glimmers of good weather we keep seeing, it must be on it's way.

As always, it's been a busy time in Park Road, with lots of learning happening across school. Classes have been working hard on recording their performance from last half term's enrichment. Keep an eye out for these videos on Seesaw which will be shared in the next week or so as you are in for a treat!

At the start of his week, Zain and Laura, our Head Boy and Girl visited Bradshaw Lane Primary School in Grappenhall. On 1st April, Bradshaw joined the Omega Trust family, and Laura and Zain offered to visit the school to tell them a little about Park Road. Mrs Wilkinson and Miss Harding accompanied them, and shared how brilliant they were—excellent ambassadors for our school! They created a fantastic presentation about everything that makes Park Road great, and shared with confidence, enthusiasm and pride. Thank you to Zain and Laura for being such great representatives, and also for welcoming the children, staff and families of Bradshaw so warmly into the Trust.

Luckily, on Wednesday we had a break in the weather, as we began our new enrichment theme—Park Road Flower Show. Following the whole school Big Dig, plus the Eco Team visiting White Moss to collect everything we needed, this week classes have started to plan, design and even get planting for their flower show entry. The flower show will open next term; keep an eye out on the newsletter for more details.

Finally, we had another visit from Mark at HPL this week. He has been blown away by the work that our Y6 HPL Ambassadors have put in to developing characters to represent the values and attributes we are learning about. The parent workshop sadly had to be postponed; however this does mean, if you hadn't had chance to sign up, there is now still time. The workshop will be in June and the office will resend the form to sign up near the time.

Have a wonderful weekend—let's all cross our fingers for some sunshine and good weather!  
Mrs Quigley

## Picture News

The Picture News topic for next week is ...

'Can you learn to persevere'

Scottish runner, Jasmin Paris, has become the first female to complete what is thought by many to be the world's toughest race. Jasmin is one of only twenty people to have successfully completed the Barkley Marathons in Tennessee, USA. She crossed the finish line in March with less than 100 seconds to spare before the 60-hour cut-off time. Jasmin said she wanted to inspire others and test the limits of her capabilities.

The Barkley Marathon is an ultramarathon race held each year in Tennessee, in the USA. The course, which changes each year is five loops of an off-trail course totalling 100 miles (about 161km), with a cut-off of 12 hours per lap, 60 hours all together.

Things to talk about at home:

- \* Can you imagine how Jasmin might have felt when she finished the event? Make a list of the different feelings you believe she may have had.
- \* Can you think of a time when you found something really difficult? Were you able to complete the challenge or task? Talk about the experience and what you learned from it.

## Hot Chocolate and Cake

Well done to the following children chosen this week:

Reception	Rose H
Year 1	Charlie McD
Year 2	Eva L
Year 3	Ida H
Year 4	Kloja P
Year 5	Alonzo L
Year 6	Ben M

## Year 1 Class Assembly

On Thursday 25 April, it will be Year 1's Class Assembly at 2.50 pm, where the children will showcase what they have been studying over the last half-term. Parents and carers of Year 1 are welcome to come along to watch the assembly and the KS1 gate will be opened at 2.45 pm. We hope to see you there!

## Welcome to Bradshaw Primary School

As mentioned in Mrs Quigley's update, Laura and Zain visited Bradshaw Primary School on Monday to welcome them to our MAT community and share information

about Park Road, they were great ambassadors for our school and enjoyed their visit.

## William at Manchester City

William in Y5 played in goal against Manchester City and his dad said he was outstanding 'his temperament and emotional control was exceptional'. Well done William, we are glad you enjoyed your game!

## After School Clubs

Details of the After School clubs on offer for next half term can be found below. All of the clubs will be available to book via Parentpay and will be released **during the school day next week** and will close on **Monday 6 May**. Homework Club (Y5/6) and Disney Stars (various) will continue as normal.

Please **make a note of the clubs you book, the dates** and the **pick up times/places** for your information. Don't forget to fill in the additional notes box with the name/telephone number of the person collecting and an emergency contact for during the club - **without this, your child will not be able to stay**. Remember to check the Weekly Update for the weeks the clubs are/aren't on.

The charge is 50p a session - there are 6 weeks in next half term but if a club is not on one week, it is shown below. Please only sign up if you can attend each week as there will be no refunds if your child is unable to attend a session. There is no charge for Choir but we do ask that your child commits to attending every week - just contact the office if your child is interested in joining.

**If a child can't stay for a club, please remember to let the office know in advance (not the teacher) so that they can update the registers. Thank you.**

### Disco Thanks

Thank you to everyone who helped at last night's disco to make it such a success - to parents, carers, grandparents and the school staff.

We will let you know next week how much was raised at the event and let you know more details on upcoming events.

Don't forget, if you have any suggestions or feedback, you are always welcome to come along to our next meeting.

Have a lovely weekend.

- measles outbreaks happen when not enough children have been vaccinated
- measles can be a very serious disease, leading to ear and chest infections, fits, diarrhoea, and damage to the brain. Measles can kill
- your child is at risk of measles if he or she hasn't had the MMR vaccination
- 2 doses of MMR vaccine are needed to get the best protection
- if your child is due to have had 2 doses of MMR but has not yet received them, no matter what age they are, you should contact your GP to get them vaccinated as soon as possible\*
- if you can't remember if your child has had any, 1 or 2 doses of MMR vaccine, check his or her personal child health record (the Red Book). If this doesn't help, speak to your GP
- if you don't know how many doses your child has had, it's better to have 2 doses of MMR vaccine now rather than risk leaving them unprotected

\*In response to a local outbreak then the 2 doses can be given one month apart from the age of 18 months.

### Answers to some common questions about measles and the MMR vaccine

#### Why are we seeing these outbreaks of measles?

Measles is a highly infectious disease, spreading quickly from person to person, especially in schools. A child with measles will infect almost all unprotected children they have contact with. Since the end of 2017 there has been an increase in measles globally which has affected the UK. This has resulted in some spread into wider communities, in particular in undervaccinated groups.

#### When are the MMR vaccinations usually given?

The best times are between 12 and 13 months of age and again at 3 years and 4 months, with one dose on each occasion. But, if your child wasn't vaccinated then, they can be vaccinated at any age with 2 doses one month apart.

#### Will there be any side effects to the vaccination?

Your child may get the symptoms of measles, mumps and rubella for up to 6 weeks after the vaccination but in a very much milder form. This proves that the vaccine is working and your child is building up resistance to future contact with the viruses that cause the 3 diseases. Not all children show these symptoms but that doesn't mean the vaccine isn't working.

#### Should parents in outbreak areas get vaccinated against measles?

As with many diseases, once you have had measles, you don't catch it again because you have built up a natural resistance to it. So, if you've had measles or 2 doses of MMR vaccine you do not need to get vaccinated now.
