Mrs. Quigley's weekly message:

This week we have celebrated harvest with Jeremy from St Mary's and Lindsay from WA5 Good Neighbour. They were so impressed with our Innov8 Team and Head Boy and Girl for the way they led the assembly. Also, as Mrs Wilkinson has shared on the next page, a huge thank you must go to you all for your generosity and kindness with donations. The WA5 Team really do appreciate it so much and will let us know further updates as they begin to put the hampers together.

In other news, the new KS2 Crinkle Crag climbing frame is complete and over the next week Y3-6 will have a go on it, and be taught how to use it safely. It's definitely more challenging and I'm sure our KS2 children will have lots of fun on it. Fingers crossed for a dry week so they can get lots of use out of it. Before KS2 have had the chance to explore the frame, some of the teachers just had to check it out..... And I can confirm it's AMAZING!

After half term we have our science fairs coming up as a follow on to our science day earlier in the term. The children have been working scientifically and carrying out investigations in their lessons—they can't wait to share some of these with you. Class teachers will send out more details shortly but I wanted to remind you so you could check dates for the diary and hopefully you will be able to join us.

Finally, thank you to those parents who have been able to spare 5 minutes and complete the HPL (High Performance Learning) questionnaire. The link will be shared again on Seesaw so if you can, please do help us to get the most from this journey by completing the questionnaire—you don't need to know anything about HPL to help.

As always, have a wonderful weekend, and I will see you Monday.

Mrs Quigley

Harvest Festival Donations

A huge ' THANK YOU ' to you all for the wonderful donations that we were able to send to Good Neighbours WA5. On Tuesday, we held a whole school harvest assembly and we were lucky enough to have two special visitors - Lindsay from WA5 Good Neighbours and Reverend Jeremy Tear from St Mary's Church, who both spoke to children about the meaning of harvest.

Lindsay was completely overwhelmed with your generosity and shared that lots of families will be so grateful for their food parcels, which will be delivered to their houses over the next few weeks.

Our Head Boy and Head Girl , along with the Innov8 Team, Mrs Wilkinson, Mrs Jerram and Mr Finch helped to pack all the items, ready for Lindsay to take back to the centre.

Once again , a huge thank you for your continued support.

The photographers will be in school on Wednesday 25 October. Siblings will be photographed together unless we have a written request for individual photographs by [Monday 23 October](#) - we are not able to accept requests on the day.

Please note:

- ⇒ Reception class will automatically have individual photographs as it is their first year at school as well as a sibling photograph if they have siblings in school
- ⇒ single children (with no siblings) will be photographed individually
- ⇒ All Year 6 children will have an individual leavers photograph in the summer term as well as their usual sibling/individual photo this time

If your child does not fit in the categories above and you would like an individual photograph, please send a request to the school office by Monday 23 October to enable us to plan the day effectively.

If you have a preschool aged child and would like them to be photographed with their sibling(s), please let us know by sending a seesaw message or emailing the office by the deadline above. The preschool sibling photographs will be taken before the start of school at 8.30 am in the hall so please arrive promptly at the school office. This will only be for the families who have preschool aged children and who have let us know as requested.

Please remember that children should wear their school uniform on Wednesday and not PE kit.
