Value of the half term: **Forgiveness**

'100 Years of Disney' Celebration

Last year, we had our first summer showcase linked to the Queen's Jubilee and after half term, we will begin creating and rehearsing for our next summer showcase '100 years of Disney'!

Each class will perform a song or dance using songs from Disney films. We also have a whole school song which you won't want to miss!

The showcase will held be on Thursday 13 July at 1.00 pm and we would love it if you could save the date so that you can join us then!

We will send out more details nearer the time so please keep an eye out for more information in future newsletters.

Class Photographs

The class photograph proofs will be sent home after the half term. Some of the photographs show a deadline of 5 June but please ignore this because it has been revised to Monday 19 June. This year, all orders should be placed online - **there is no longer the option to bring money/order forms into school.**

Residential Trips

Just a reminder that the final balance of the residential trips for Years 2 and 6 should be paid today at the latest - please contact the school office as soon as possible if you aren't able to do this. Thank you.

Dinner Menu Change

There will be a new dinner menu introduced from w/c 12 June and we will share them with you as soon as they are received from Warrington Borough Council. The new menu rotation will start with week 2.

Year 1's Artwork

Year 1 have been studying Andy Goldsworthy in Art. Andy is an English sculptor, photographer and environmentalist. He uses the natural world to create his art such as rocks, ice, leaves and branches.

Year 1 have used Andy's art as inspiration and created their own artworks in the playground.

We think they did an amazing job and wanted to share a few examples of their work with you.

Hot Chocolate and Cake

This week's winners are:

Reception	Charlie Mc
Year 1	Jacob H
Year 2	Lexie S
Year 3	Joseph L
Year 4	Xander H
Year 5	Joseph S
Year 6	Henry D

Year 2's Outdoor Area

Year 2 have been enjoying their new outdoor area, which has been developed through the support of our PFA. They now have an outdoor reading area, a work space and lots of new planting beds! They are currently growing vegetables, wildflowers and sunflowers. We are hoping for lots of sunny days ahead so we can continue to enjoy working in the outdoors. Thank you so much to the PFA for their help and support.

Thank you to everyone who has signed up to help on the day of the school Summer Fair. FUN is our theme this year with lots of exciting stalls lined up.

There are still some volunteer spots left to fill so please sign up if you can spare an hour at all. The PFA is a parents and friends association, anyone can volunteer their time to help us. The sign up link has been sent out to classes via the private parent run class messages.

Thank you for your continued support this half term, as always we couldn't do everything we do without it!

Have a lovely half term break and we look forward to seeing you in the final half-term!

SPORTS CREW UPDATE

We are the Sports Crew who work with Miss Mills to deliver a range of exciting activities within school.

Over the last year, we have developed our school sporting values (determination, concentration, self-belief, communication, competition and teamwork); worked with Mr Savage to create games at lunch times; spoken to classes about PE and we have an exciting project to work on next half term with Miss Mills!

In school over the last half term, we have been gymnasts enjoying our large PE equipment in the hall, strikers and fielders playing rounders, tennis and various other games as well as enjoying OAA through our brand-new orienteering course.

We would like to congratulate all of the children we have celebrated within classes for their sporting achievements outside of school. We have heard of amazing achievements across a variety of sports: gymnastics, football, swimming, karate, running, horse riding, golf, dance, boxing, ju-jitsu, rugby and hockey.

We are looking forward to Sports Days next half term as well as celebrating National Sports Week where we have signed a #pledgetoplay. We have also been learning about water safety within open water.

Have a good half term!

Sports Crew

Footballing Achievement

Well done to Matildah D in Year 4, who was part of the winning team in a Warrington under 9s tournament. Her team won 10-2.

Matildah was also awarded the coaches Player of the Year - what a great recognition of your commitment and what an achievement!

Clothes Recycling

Don't forget that if you are refreshing your wardrobes and have any clothes or shoes that you no longer want, you can pop them in our recycling bank in the school car park. School receives a donation for every kilo collected. Once the clothes are loaded onto the vans they start a journey that could take them to any corner of the world.

Different items will be more likely to end up in different climates; that old ski suit isn't likely to be making its way to Africa any-time soon! One thing all the clothes do have in common is that they are going to a place where they will provide affordable clothing to people who need it.

Warrington Youth Zone

Do you have any staff would like to take part in the Born Survivor challenge 2023 in Clitheroe running to raise money for Warrington Youth Zone?

Born Survivor is the ultimate 10km assault course set to test you with mud-fueled obstacles and activities designed by Elite Royal Marine Commandos and is a challenge event like no other. The course has over 30 military grade obstacles including the breath-taking Torpedo slide, river crossings, climbing nets, underground tunnels and the Finisher Wall; The Blitz!, and upon completion, you will receive your very own, solid metal, engraved, Born Survivor Dog-Tag Medal!

Places can be secured for just £25 with an ask to raise a minimum of £175 in sponsorship, and as always, we are here to help in any way we can such as setting up a JustGiving page, providing materials about the Youth Zone, or just offering lots of moral support and encouragement!

Friends and family can also come along and experience a full day out with children's activities, food, ice-cream, coffee, a licensed bar and live music in the Born Survivor event village. For more details on what you might encounter on the course, please click on this link
