## Unique Individuals Learning Together

### Mrs. Quigley's weekly message:

This week has been transition week and it has been lovely to see all of the children working with their new class teams. All teachers have had a lovely week getting to know the children and I have visited every classroom and seen some lovely work being produced. Our Y6 children have also visited their new secondary schools this week and I have had some wonderful reports from secondary colleagues about how polite, well mannered and enthusiastic our children are. I have to say this does not surprise me.

During transition week our new September 2026 Reception children visited school and our Year 5 children supported them as their buddies. I can honestly say that Year 5 were so supportive with their buddy that I can see that the new children will settle in really well with their help. A huge well done and thank you to Year 5 for being wonderful role models and showing our new children how lovely our school is.

Our children who receive music tuition from Mr Boyd have performed for their parents today, and what a show it was! The progress from when they first started is amazing and I was so proud to see how brave and confident they were. Well done everyone.

Finally, today has been the flower show. As always, our classes have surpassed themselves with this year's design. Feedback during the event has been excellent, and it was so lovely to see so many of you. Please remember to place a vote using the QR code that's on the later page of the newsletter if you haven't done so already.

Next Friday is the Summer Concert—it's always a great event that will bring a smile to your face. Mrs Thomas, Mr Wiebe and all the classes have worked so hard to take us on a journey through the North West and I know you will love it! Details for timings are on the next page.

Last but not least, in the last week I will be hosting Headteacher Breakfast for those children who have achieved 300 positive points. Invites will be coming out next week, once our Positive Points collection ends on Friday.

Have a lovely weekend and I will see you Monday. Mrs Quigley

## Picture News

The Picture News topic for next week is ...

**'What makes something popular'**

Squishy dumpling toys have become popular with many children in recent months. Videos showing people squeezing, collecting, and opening the toys have helped them spread quickly online. As more people have bought these types of toys, Trading Standards officers have been called in to carry out safety checks on some of the products being sold in shops and online.

Things to talk about at home...

- \* What was your favourite toy when you were younger? How did you first hear about it?
- \* Do you believe toys become popular because they are fun, because friends have them, or for another reason?
- \* If you could invent a new toy, what would it be like, and how would you make it popular?

## Summer Concert - Friday 10 July

For our Summer Concert this year we are Celebrating 150 years of Warrington Wolves, with this in mind we would like to everybody to wear something blue and/or yellow on the day for the celebrations.

The KS2 gate will open at 1.15 pm and will close at 1.30 pm - please arrive promptly so you don't miss the show! You are welcome to bring a chair or picnic blanket to sit on for the performance, extra seats will be provided by school.

### After School clubs

Just a reminder that all of our after school clubs have now finished for this academic year.

### Flower Show QR Code

Please scan the QR code below to cast your vote for the Flower Show

### Threadworms

We have been advised of a recent increase in Threadworms - for guidance and information on threadworms, symptoms, how to treat them etc, please visit the NHS website: <https://www.nhs.uk/conditions/threadworms/>. Thank you for your support.

## Flower Show Sponsorship—Thank you

A special thank you to our two sponsors of today's flower show - Mrs Dyas and Mrs MacMichael. If you have any flower requirements or are in need of any design work, please do take a look on their websites, we think they are both amazing! Thank you so much Mrs Dyas and Mrs MacMichael for your sponsorship.
