Unique Individuals Learning Together

Mrs. Quigley's weekly message:

Welcome back to school! It has been lovely to see everyone again after the summer break, and welcome our new Reception class to school. Everyone has returned with lots of enthusiasm, smiles and hard work. This week the children have enjoyed DT across school - I have seen wonderful examples of 'monsters', puppets and handmade bags. Well done everyone for such a positive week.

The school office will be releasing new clubs on Monday - as it's always a tight turnaround in the new year, the clubs will be open for booking for 1 week, therefore ensuring they can start on time and pupils can have 5 weeks of the club. This year we are offering a new after school club - forest school. We imagine this club will be popular. If this is the case, we will work the same way as baking and hold records of who attended previously, therefore ensuring that everyone hopefully is able to have a turn, if they wish, by the end of the year.

We will shortly be sharing 'Dates for the Diary' for the school year and also your child's class's trip plans for the year. We hope by sharing these it will help you to plan for either attending events or supporting school trips.

Today in assembly I have spoken to the children about leadership roles. Next week teachers will discuss further with their class. We will be looking for representatives from Y1-Y6 for the following teams:

Innov8 Team	Supporting the work with our curriculum across school.	Miss Currie
Sports Crew	Supporting sporting events during the school year	Mrs Ignatius
Happiness Heroes	Supporting our mental health and wellbeing across school	Mrs Robinson
HPL	Y6 ONLY—Delivering our values and behaviours for learning curriculum	Miss Harding
Eco Team	Supporting our work around the environment	Mrs Preston

Have a wonderful weekend, and I'll look forward to seeing you all again on Monday. Mrs Quigley

Clubs - Autumn 1 - please read carefully

Details of the after school clubs on offer for next half term can be found below. The clubs will be available to book via Parentpay anytime from Monday 7 September (please bear with us as we fit this into our working days) and registration will close at 8.30 am on Monday 14 September. Please bear in mind that the clubs are popular with limited availability and are often booked up within a couple of days. We do not offer clubs to Reception class until the Spring term (after Christmas), so they have time to settle in and get used to being in school all week.

Please only sign up if you can attend each week as there will be no refunds if your child is unable to attend a session and **please take care when booking as we are unable to refund mistakes** - school pays a fee for every transaction (both payment to us and for refunds).

IMPORTANT SAFEGUARDING REQUEST: If a child can't stay for a club, **please remember to let the OFFICE know in advance** (not the class staff) so that the registers can be updated and your child will be able to leave as usual rather than going to the club. The office has to follow up any child not attending a club (where they haven't been notified in advance) to ensure they are safe and it could delay them identifying a serious safeguarding issue if they have a lot of children to follow up.

Finally, **please make a note of the clubs you book** and of **the pick up details below** as a reminder (perhaps take a photograph so you have it available on your phone as reference) - you can always look on the Weekly Updates on Seesaw or our website if you do lose the information. All clubs run from 3.15 - 4.15 pm and don't forget to let the person picking up know which gate they need to collect from.
