Mrs. Quigley's weekly message:

As we are fast approaching the end of the year, I wanted to remind you of a few of the events we have coming up.

On Monday we have the Olympics Musical Showcase that the children have been working on as part of enrichment this half term. The KS2 gate will open around 1:20 pm aiming for a 1:30 pm start. This event is weather dependent and if the weather is not on our side, we will have to cancel. This is because we do not have capacity in the hall for our community. However, if this happened, we would ensure the children still performed and we would film and send it out to you. Please keep your fingers crossed though as these events are always so lovely!

In the last week, Miss Shirley has arranged an experience day with lots of different physical activities. Children will have taster sessions throughout the day with activities such as karate and hula hooping. This will just be in the school day and not a parent event.

On Tuesday 16 July, we have our final attempt to hold sports day. We have decided to have all parents at the same time, so hopefully everyone gets an opportunity to take part, even if the weather turns during the afternoon. Gates will open at 1:00 pm.

Finally, reports will be sent home next Friday, via email this year. If you wish to provide feedback you can either directly message the teacher on Seesaw, the office if you would like to provide feedback to me, or come to the open evening. The open evening will also be a chance to meet the new teacher and a timetable for this will be shared next week. This has been changed to the end of the year, following feedback that mid September feels a little late. Meet the Teacher information will also be shared on Seesaw at the start of the new year if you can't make it this time.

Tomorrow is our Summer Fair so I hope to see you there to enjoy the fun and, as always, have a wonderful weekend whatever your plans!

Mrs Quigley

Picture News

The Picture News topic for next week is ...

'What does it take to be an Olympian or Paralympian?'

Supermarket chain, Asda, has launched fan zones for elderly people to enjoy the UEFA Euro 2024 football tournament (the Euros). The idea came about as new research found that over 1.9 million individuals over 65 will be watching the matches alone. Many other places, where people choose to watch the football, can be very busy, with standing space only. The Nanzone spaces have been specially developed with older people in mind, ensuring they have somewhere enjoyable to watch the matches with others.

Asda have also introduced other schemes to help combat loneliness. To encourage conversation and interaction amongst its older customers, the Happy to Chat scheme has come back as part of Asda's wider campaign across the summer. Asda home shopping delivery drivers also have the option to wear a 'Happy to chat about the game' badge.

Things to talk about at home:

- * Have you been watching the Euros football competition this year? If so, who have you watched with? Who will you watch with? Do you prefer to watch sport and big events with others?
- * Do you think you have to be alone to feel lonely? Is there a time when you have ever felt lonely?
