Dear Families

By now, you will have heard about the Prime Minister's announcement made last night. I have received no further guidance or details other than that shared in this announcement. We are awaiting further detail about any possible changes to our current arrangements or phased re-opening of school and I want to assure you we will share this with you as soon as we have this. Until this time, school is still closed and providing childcare only for those critical workers that are essential for the COVID response. The safest place for your child to be is still with you, at home, following government guidance.

I appreciate there is a lot of uncertainty around whether schools will be able to re-open and that many of you may have questions about this and I would like to thank you for your tremendous resilience and patience and to all our wonderful children for their hard work and positive engagement with the learning being set.

You may be in your own home, but you are still part of our community. We miss you but look forward to seeing you soon.

Take care

Nicky Parkinson  
Head Teacher
