WHO WILL WIN?

Poseidon

When the Titan leader, Kronos, had returned, the grand war of the immortals had begun. Zeus, leader of the gods, was furious that the lord of time had escaped his prison, the pit of Tartarus. His son, Krainoss, wanted to fight off all the titan forces which attacked the ancient land of Greece." Father, let me fight Kronos. He can't defeat me, he can't handle the power of a demi-demon!" Krainoss cried to Zeus

"VERY WELL, YOU DO HAVE YOUR MOTHER'S POWER, AND YOU'RE ABLE TO SHIFT YOUR DEMON PERCENTAGE. YOU MAY FACE THE TITAN LORD... BUT FIRST GET RID OF MEDUSA, I FEAR SHE IS RISING ..." Zeus boomed. Krainoss told his friends: Iolaus, a centaur, Mytauk, a Minotaur, and Slycko, a man with a hydra tail, to grab their weapons and ready their pegasi.

However, Krainoss was troubled about something the Drakala- a beast also known as one of the twin titans fists- had said on a previous quest, " YOU MAY KILL ME, BUT KNOW THIS, MY CURSE IS COURSEING THROUGH YOUR BLOOD, AND CAN YOU SURVIVE, SON OF DEMON QUEEN AND ZEUSSSSS?" "Everyone now ha ya Moonlight Crypt!" Krainoss yelled to his friends. The big thought was racing through his head. How would the curse effect his demon forms?

Very soon, Krainoss and his half-blood friends reached the island of Crete. They were going to ask King Minos if they could stay at Crete for the night. "Very well. You may stay here, son of Zeus and err... other half bloods." Minos yelled. However, one thing the heroes did not know as that Minos was planning on murdering them in their sleep, and imprisoning Mytauk in the Labyrinth to replace the old Minotaur, as Mytauk was a Minotaur. Ariadne, who was Minos's daughter, knew this and knew she had to warn Krainoss and his friends. "Do not sleep, son of Zeus or companions. My father plans to

murder you in your sleep. Instead, go to my father's room and kill him before he can kill you." Ariadne whispered.

"How? Before I left I forgot my weapons." Krainoss replied.

"Zeus knew and sent you *this*." Ariadne pushed a zigzag bladed long-sword across the table "Its name is Thunderstrox. The sword can blast lightning bolts from its blade and also controls the weather."

Silently, Krainoss and his friends crept into Minos's room. Krainoss pulled out Thunderstrox and with one big swing of its blade... Minos was dead. Blood covered his bed. "Now go heroes. Leave. You had your rest and you rid Crete of a barbaric tyrant who was my father." Ariadne said. "YOU DIDN'T FORGET ABOUT THE GORGON WHO IS RISING AND WANTS TO HELP THE LORD OF TIME, THE TITAN LORD?" Zeus thundered, cheerily. "No father just getting some energy, heh heh ..." Krainoss sighed.

In a matter of time, Krainoss and his crew were soaring through the sky like a hawk, searching for wounded, vulnerable prey. The pegasi flew gracefully through the sky, searching for Medusa's Island lair. Krainoss leapt from his pegasi and in a blur of green light he had become 100% demon-form. "THANK YOU MOTTHER, FOR THIS POWERRRR!" Krainoss-in 100% demon form-growled.

"Hey I see a stony looking, sandy desert sort of place here." Slycko hissed, his rattlesnake tail rattling like maracas. "MEDUSAS'S ISLAND WE FINALLY FOUND THE SCALY MONSTERS HOME." Demon Krainoss hissed.

"If only we had The Gauntlet of Time..." Iolous groaned.

They soared down onto Medusa's island, ready to end the hideous henchman of the Lord of time. In a flash of light, Krainoss was back to his normal form. "This is where Medusa shall end." Krainoss roared.

"WHEN HYDRAS BECOME GODSSSSSS." Medusa came slithering out of a cave. "Like the Cyclopssss, I was blinded to, but I ssense your presence filthy half bloods." The devil like gorgon had pale white eyes a rattle snake tail and vipers instead of hair. Medusa made the first

like. Raising leaf green sword, she lunged at Krainoss, striking at him. Krainoss raised Thunderstrox and shot a bolt of oceanic blue lightning at Medusa's weapon. "How you got Zeus's sacred weapon I do not know, but I do know how to DESTROY YOU!" Medusa snarled. Krainoss raised Thunderstrox and slashed at Medusa, who skillfully blocked his lethal attack. "Impressive. For a fake lady." Krainoss droned. Slycko shot poison arrows. "YOU COPY A HYDRA! AND ALSO DON'T INSULT THEM!" Krainoss threw 2 daggers, pinning Medusa. He raised Thunderstrox. "You shouldn't mess with the son of ZEUS!" Krainoss pulled down his sword... Medusa was dead. "WELL DONE KRAINOSS. NOW YOUR NEXT MISSION IS TO RETRIEVE THE GAUNTLET OF TIME." Zeus appeared behind Krainoss.
