Protocols for Online Learning

During Online Learning Pupils must ensure they are:

- At home during the lesson.

- Out of bed and dressed appropriately.

- Using a room/space where they shouldn't be disturbed during the lessons.

- Minimising background noise during the lesson.

- Logged into the lesson for the full duration.

- Ensuring their Camera is on from the start of the lesson. (You may change background to an appropriate virtual background).

- By themselves, not with friends or siblings.

Pupils should **not** be eating, gaming, or doing domestic chores during the lesson.
