- Provide a framework for responding to an incident and recording and reporting the outcomes

## 2. Legislation and guidance

This policy is based on advice from the Department for Education on [first aid in schools](#) and [health and safety in schools](#), and the following legislation:

- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and

Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept

- Social Security (Claims and Payments) Regulations 1979, which set out rules on the retention of accident records

*Maintained schools add:*

- The School Premises (England) Regulations 2012, which require that suitable space is provided to cater for the medical and therapy needs of pupils
