Dear Parents/Carers

Re: Parkfield Open Days

At this time of year, we would normally be opening our doors and welcoming parents and carers to Parkfield for a good nose around! Clearly, things are a little tricky this year, and we have to do things differently.

We thought about pulling together a swish virtual open evening, with online resources, video interviews with staff and Zoom Q&A sessions. To be honest, I have the perfect face for radio and we didn't want to use our time and resources at a critical time on window dressing our school community.

However, we believe that we can safely operate personalised open day activities in small groups. We can offer a 1:1 meeting with myself to explain the school's values and then I will personally take you on a tour of the school. Our only request is that you follow our health and safety guidance whilst in the building, including wearing a face covering to protect yourselves and our school community.

You can gain a lot of useful information from a website and a swish video, but it's not quite the same as meeting someone face to face or seeing our nurturing community in action.

To book an appointment for a school visit, please contact our main office on 01202592530 or via email at: office@parkfield.bournemouth.sch.uk.

We look forward to seeing you soon.

Kind regards

Ian Golding
Executive Principal
