Dear Parents/Carers

Re: KS3 End of Year exams - Wednesday 9th to Wednesday 16th June 2021

With the Covid interruptions to learning and assessment this year, our next major assessment period for Key Stage 3 will be their end of year exams. These are scheduled to take place after the half term from Wednesday 9th until Wednesday 16th June 2021.

Students will be sitting exams in each of their subjects, under examination conditions within their normal classroom environment. The results of this process will not only allow our staff detailed insight into knowledge retention and application for each student following such a turbulent year, but also serve as an opportunity for students to develop their revision and recall skills ahead for their future studies.

Teachers have been, and will continue to be, structuring learning and revision over the upcoming period to allow students the opportunity to demonstrate their current levels of knowledge and skill. You can find resources to support your child at home with their revision on the school website: <https://parkfieldschool.org/curriculum/revision-support>

It is essential students treat their end of year examinations with the seriousness as they would their final GCSE examinations, in order to ensure teachers have the best possible picture of their strengths and areas for development in each subject. We will report the outcome of these exams before the end of the academic year along with an overview comment from their Community Leader. We wish them the very best of luck.

Kind regards,

Kim Taylor
Vice Principal
