Students need to pre-register for this event at <https://www.kmc.ac.uk/college/open-events/> and any issues with registering, please let us know at marketing@kmc.ac.uk.

Our website has more information regarding courses www.kmc.ac.uk/college and our live chat box is available where we can answer any questions your students may have.

We are excited to be launching two new courses – Travel & Tourism and Business Studies at the College and this may be the ideal course for any of your students who are considering their next steps after Year 11.

We appreciate that these are challenging times for students including making decisions on their next steps in September and our staff are on hand to answer any questions they may have and offer any support they may need.
