

AWARD
WINNING
MUSIC
ACADEMY

OUR MISSION IS...

To boost the confidence in people by helping them grow and develop a new skill.

Too many schools around the country offer music lessons which have programs focused on out of date songs and musical styles which the children are less than enthusiastic with. Not us. We love rock music and some cheesy pop.

AWARD WINNING MUSIC SCHOOL

Being recognized for outstanding achievements in music education 2020/2021... We are confident that we can bring the love of music to life and create a new generation of little rock stars.

You are welcome to bring along any accessories such as a foot stool, plectrum, capo, tuner, amp etc. For all drum lessons and keyboard lessons, instruments will be provided by the school or by a member of the Rockademy team

and it is recommended you bring along your own sticks and relevant lesson notes/books and a note book.

GUITAR HIRE

Should you need to hire a guitar before committing to purchasing your own, we do offer a hire service (subject to availability). This is charged at £2.50 per week (min. hire 3 weeks). There is a £50 *breakage charge* should something happen to the guitar while it is in your care which you will be required to pay. We may also be able to provide a range of different drum kits for your home use with prices starting from £50 per month (subject to regional availability).
