The Mystery of the Mixed-Up Scarecrows

The residents of Sunnyside Village have a wonderful scarecrow competition every year, and everyone gets involved. This year is no exception, with the pupils of Sunnyside Primary School having made a wonderful Dorothy from the Wizard of Oz, and Dr Campbell has created a fabulous Red Mummy Bear scarecrow! Mr and Mrs Beasley have made a lifelike scarecrow of Peter Rabbit and the Singh family have made a cheeky looking clown scarecrow.

However, disaster has struck!

Some naughty person has swapped all the scarecrow heads around! Peter Rabbit has Cinderella's head, Cinderella has a clown's head, and poor old Dorothy has Mummy Bear's hairy head attached!

As Chief Inspector, it is your job to look at all the character descriptions and the five clues left behind, and unmask the Scarecrow Head Swapper!

Answer to Clue 1: _____

Clue 2

Multiple Sort Out

Sort these numbers into multiples of 2 or 5. If there are more numbers in the multiples of 5 group, the culprit is male.

4	6	10	12	14	55
15	25	35	5	45	

(Circle the correct option)

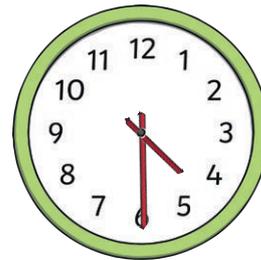

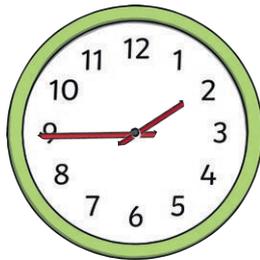

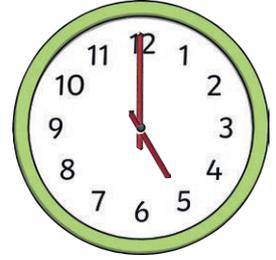

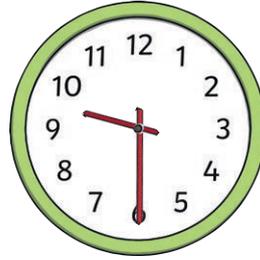

Answer to Clue 2: The culprit is male / female.

Clue 3

Match the Times Up

Match up the correct written times with the clock faces.

Then order the words to make a sentence to solve Clue 3.

The Mystery of the Sandcastle Stamper Game

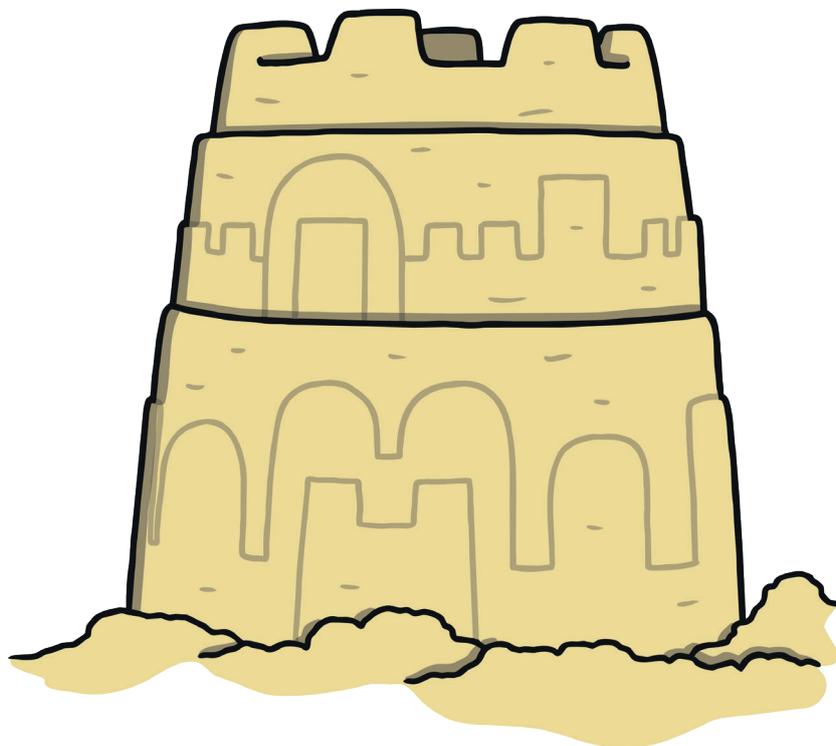

The beach at Oyster Bay has an annual sandcastle competition every summer. Everyone gets very creative, and whole families spend hours on the beach building their sandcastle works of art.

The competition will be judged by the Mayor of Oyster Bay, and first prize is a fish supper from Our Plaice Fish Bar every week for a year!

However, by lunchtime on the day of the competition, disaster has struck. Someone has stamped on all of the sandcastles, and destroyed the beautiful structures before they could be judged!

There had been a children's party on the beach front, that morning. Here are the details of the children who were there.

Your task is to solve the clues and work out who the Sandcastle Stamper is!

Clue 5: Shoe Size

A shoe print was discovered on one of the sandcastles. Solve the next clue to work out what size shoe the sandcastle stamper was wearing. Work out the answers to these number statements.

$$8 + 6 = \square$$

$$\square - 11 = 9$$

$$5 \times 2 = \square$$

$$3 + \square = 15$$

$$\text{Double } 9 = \square$$

$$16 - \square = 10$$

Look at all the answers you have filled in. What times table are they all multiples of? _____

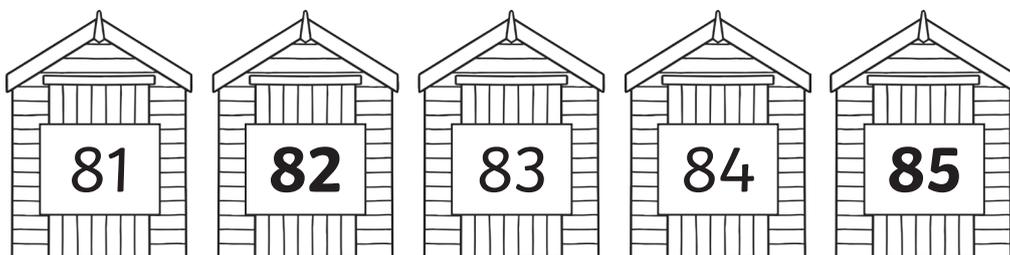

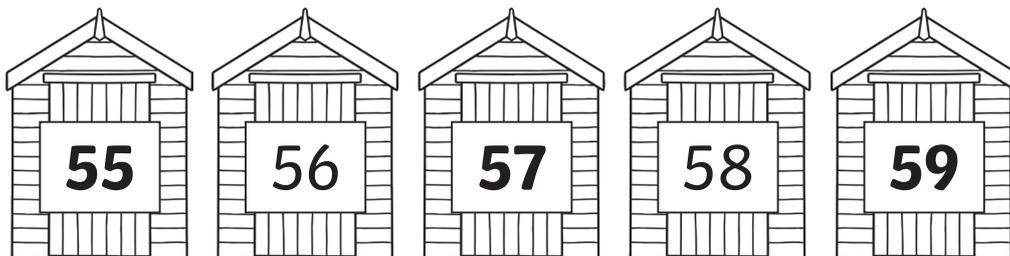

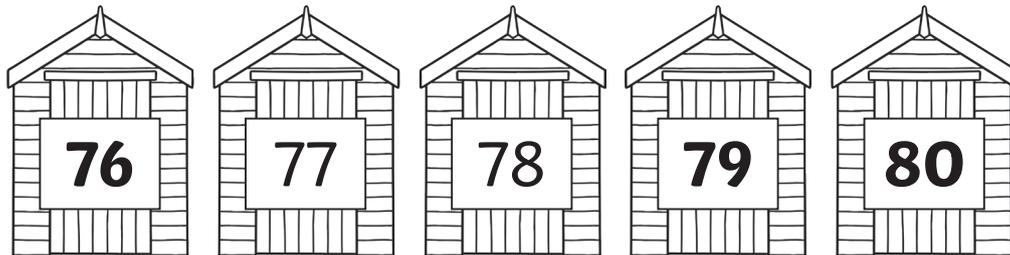

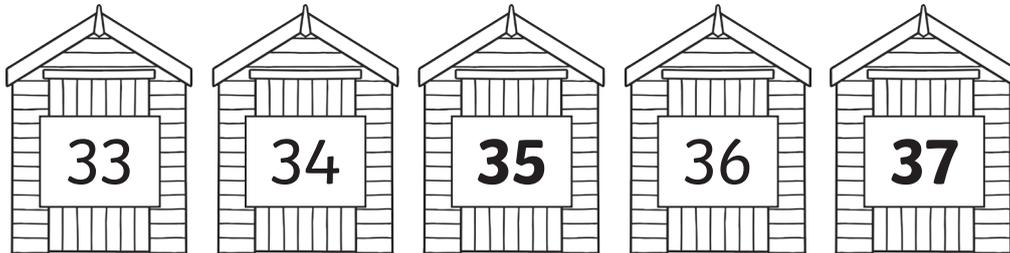

That is the size of shoe worn by the sandcastle stamper!

Have you worked out who the sandcastle stamper is?

The sandcastle stamper is: _____

Clue 1: Missing Numbers on the Beach Huts

The sandcastle stamper is Sean!

The Mystery of the Spacesuit Snatcher

The children of Class 2 have been taken on an amazing school trip to the International Space Station! They have been given a guided tour by one of the astronauts, shown how everything works and admired the breathtaking views of Earth. It has been a truly incredible trip...

But just as Class 2 were eating their lunch, an astronaut ran in to say that one of the Space Station's spacesuits had gone missing! One of the children in Class 2 must have stolen it on the tour and hidden it somewhere! Miss Jones is very worried, because if one of the children has a spacesuit, they could put it on and look like a real astronaut. Then they could even board a space shuttle and head off into outer space!

Miss Jones and the astronauts have put you in charge of finding out who stole the spacesuit. You have taken down the names and descriptions of all the children on the school trip. There are also five important clues that have been discovered.

To crack the case, you will need to solve each clue and check the information with the list of names. There are only two hours left until Class 2 are due to return to Earth. Will you be able to find the stolen spacesuit and catch the spacesuit snatcher in time?

Good luck!

The spacesuit snatcher is _____

Clue 1: A Capital Crime

In the empty spacesuit case, a note has been found. It has been written by the spacesuit snatcher, but their punctuation is not very good. Lots of capital letters are missing from their writing. Circle the letters which need to become capitals and write the words correctly below. The letter which is most commonly incorrect is the first letter of the spacesuit snatcher's surname.

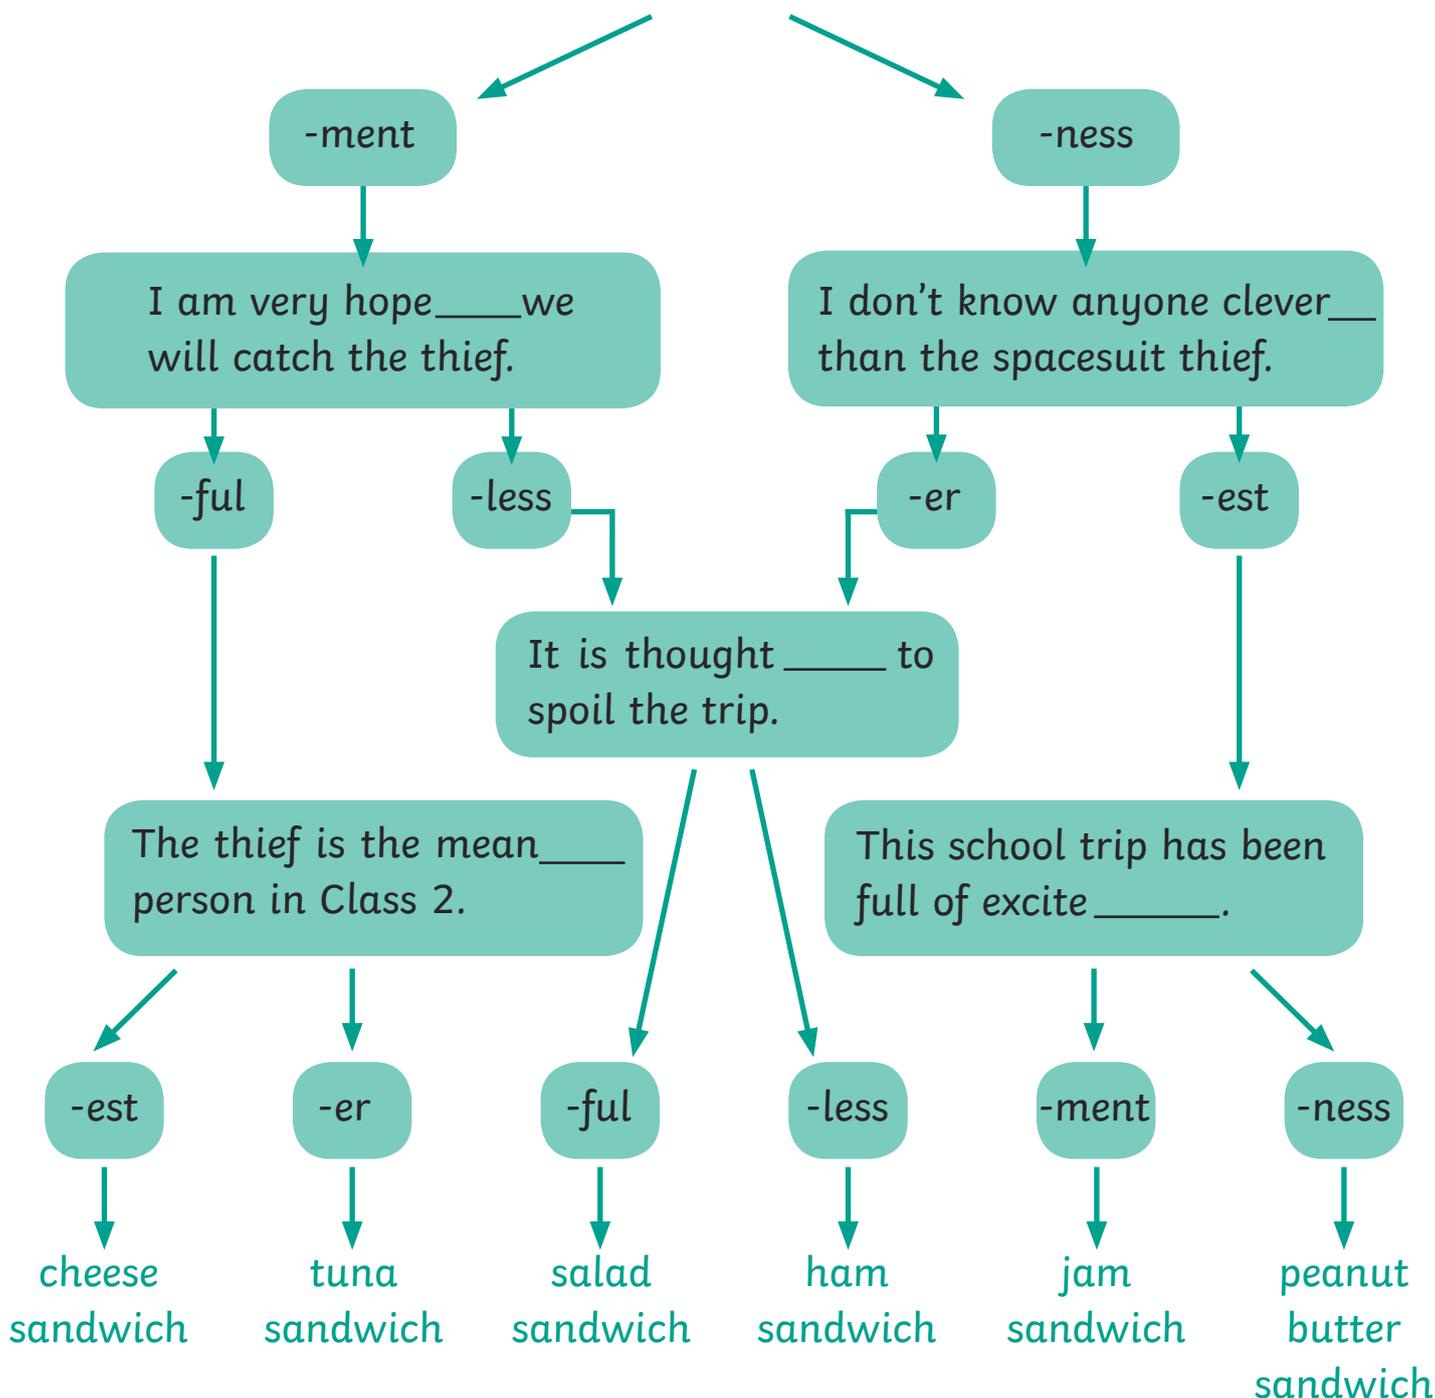

The letter which was most commonly incorrect was _____, so the spacesuit snatcher's surname begins with_____.

Clue 2: Following the Sandwich Crumbs

A trail of sandwich crumbs have been discovered, leading from Class 2's lunchboxes to the case where the spacesuit was kept. But what kind of sandwich crumbs are they? Decide on the correct suffix the word should end in each time to stay on the right path and find the culprit's sandwich filling.

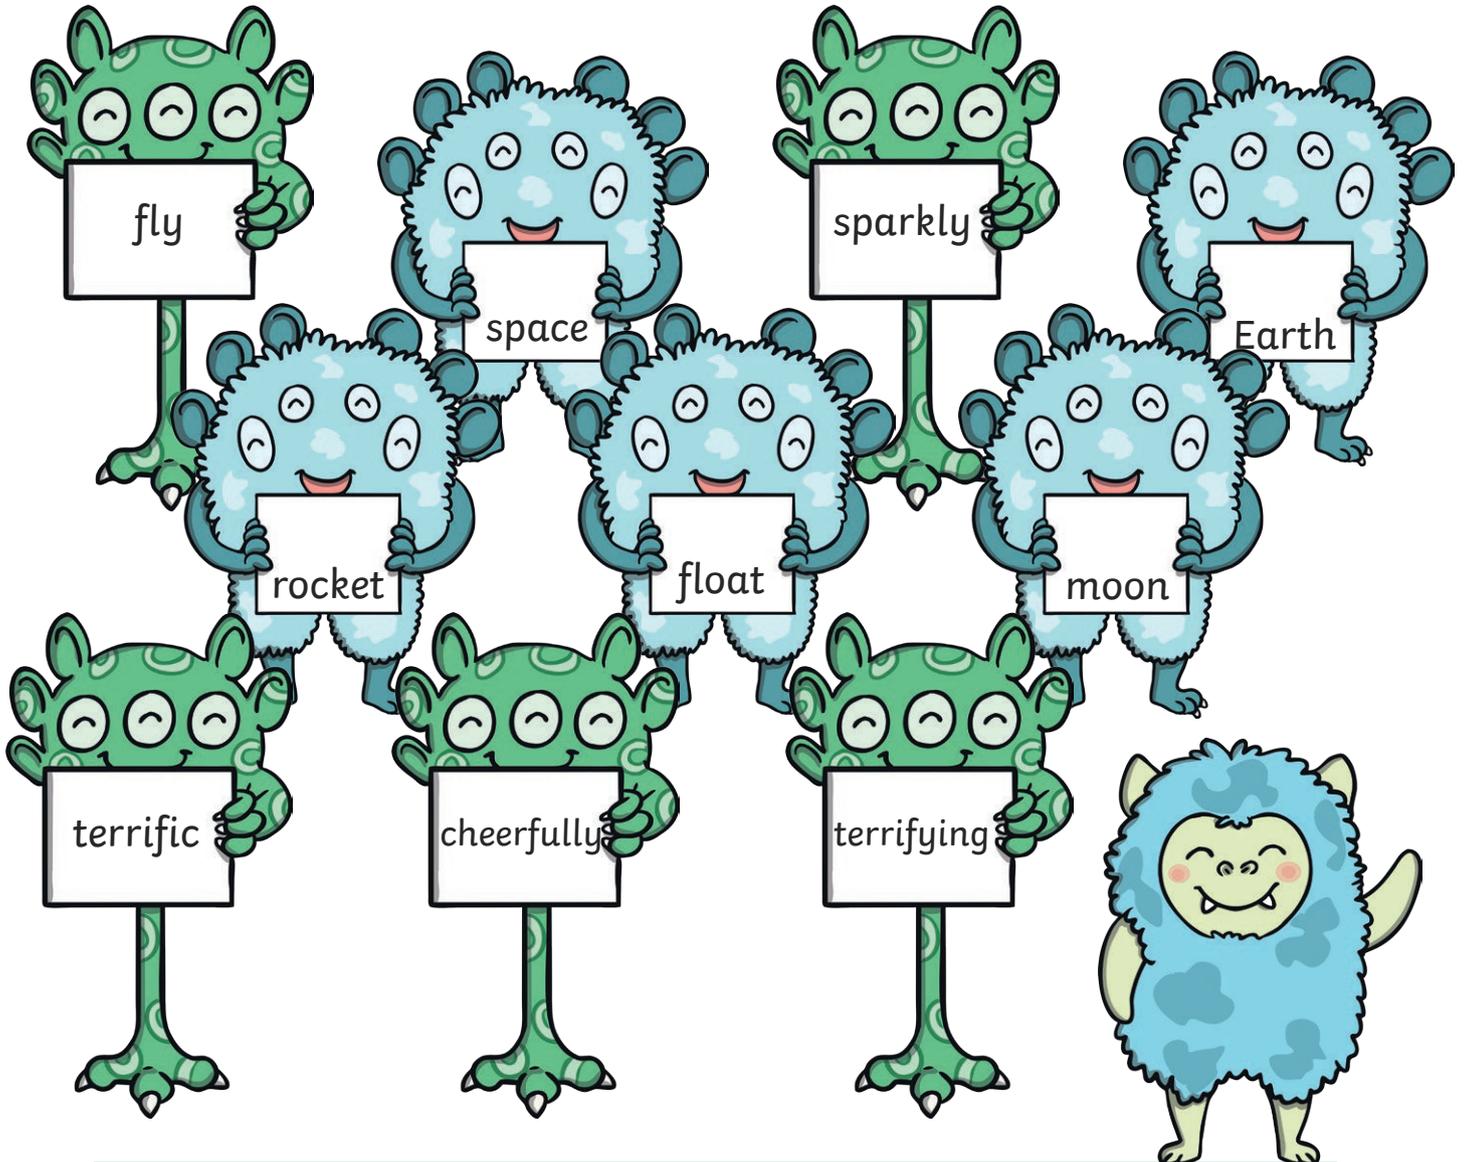

Miss Jones thinks the spacesuit thief is such a disappoint_____.

The spacesuit snatcher has a _____ sandwich for their packed lunch.

Clue 3: Alien Word Classes

Some aliens living outside the space station want to help you solve the crime! They spotted the spacesuit being stolen and they are trying to communicate to you through the space station windows. Look at the words the aliens are holding up and fill in the table below to sort them by word class. The number of adverbs is the same as the thief's shoe size.

Word Class	Words	Number
noun		
verb		
adjective		
adverb		

The spacesuit was stolen by someone with size _____ feet.

Clue 4: Intergalactic Word Clues

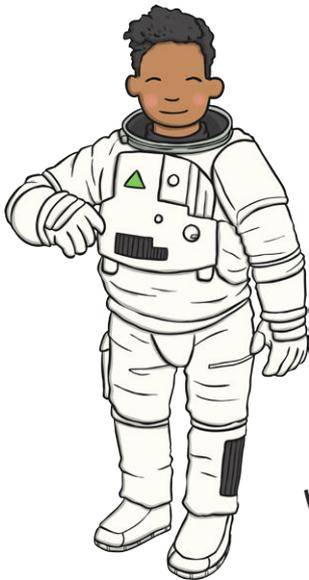

The word 'slowly' is an... _____		The last letter of the answer is: _____
