June 2021

Dear Parents/Carers

We are very much looking forward to meeting you and, of course, our new Reception children. It is sad that our initial meeting is virtual, but we look forward to seeing you in person as soon as we can.

In the meantime, we have made a short video of the environment your child will be learning in. It would be fantastic if you could watch this video together with your child so you can all see the learning environment and 'meet their teacher'.

This is the link to our virtual tour: <https://youtu.be/TR3SEfE6UNg>

In your welcome pack is the Reception Handbook, which will hopefully answer many of the questions you may have. We have included a presentation from our School Nursing Team for all new Reception parents. Please feel free to contact them direct.

We hope you find this guidance useful and please, if you have any further questions or queries do not hesitate to call the school office on the above number at any time to get in contact with us.

Please choose a Zoom meeting time for us to book in a 1:1 slot together for your child to meet their teacher.

We look forward to welcoming you and your child in September. We are all ready for a fun and exciting year ahead of us. Lots of smiles, laughter and learning! We know this is a big step for you and your child, but we hope to make the process as easy and as smooth as possible, even under the current circumstances.

We will be doing a staggered entry for all our new pupils so that we can be sure they feel comfortable and happy in their new setting so please check your key dates and transition days information that I emailed to you.

With best wishes

Mrs Claxton
EYFS and KS1 Phase Leader

Miss Richard
EYFS Teacher
