Dear Parents/Carers,

Year 11 – Mock exams revision and support

With the mock exams fast approaching, there are a few details I would like to share with you.

The exams will run over a two-week period beginning **Monday 18th November**. Within school, students have been learning different techniques and tips for revision. There have been some in house sessions from staff and Bournemouth University will be coming in to share some tips and strategies. I would strongly suggest that students compile a revision timetable if they have not already done so. This timetable should start straight away and cover the entire period up until the end of the mock exams. It is important that regular rest periods are planned into this timetable.

For the exams there are certain items students can and cannot take into the room with them. Please see the below equipment list;

- Minimum 2 pens – black or blue
- Minimum 2 pencils
- Rubber
- 30cm ruler
- Highlighters
- Compass
- Protractor (full 360 degree one, not the semi circle ones)
- Scientific calculator

Suggested;

- Clear pencil case
- Clear bottle of water
- Pack of tissues

We appreciate that exam weeks are tiring, but please ensure that students are in school on time and every day. The timetable has been written so that there are no exams in the afternoons, and rest periods will be provided after the longer exams.

On Thursday 28th November, after their last mock examination, I would like to reward students for their hard work and commitment. After break we will be taking students down to Bournemouth Pier and Rock Reef, where they will have the opportunity to partake in the activities there. The cost for Rock Reef is £8.50, and payments can be made through Wisepay via the school website.

Students will need a packed lunch on the day, or money to purchase food whilst there. They are also permitted to bring a change of clothes, which must consist of trousers and a long sleeved top/jumper suitable to be worn with a harness. Students will then be dismissed from Bournemouth at 3:15. **Friday 29th November is a whole school inset day.**

Students who miss exams during the mock fortnight or fail to complete an exam to the best of their ability will unfortunately be required to sit exams during this time.
