You are advised to attend as many open events as possible in order to make an informed choice once you leave Parklands. Don't assume you will like a college just because your friend/cousin/neighbour did!

For those who are intending to take up an apprenticeship position, or a place in the armed forces - you must have a full-time college course in place as a back up option. As we have seen in the past few years, anything can happen! You do not want to be stuck at home when everyone else is at college because you didn't apply.

You can apply to as many colleges as you want - have your interviews and accept all your places. You only decide which one you are enrolling at on the day you receive your GCSE results in August 2024.
