

Subject	Connect	Year Group	8		
	Unit 1	Unit 2	Unit 3	Numeracy	Year long project
Scheme title	Survival	Life in the Seas	Roman Britain		
Purpose of scheme	This scheme aims to support Connect children in accessing the English 'Just Read' unit. It focusses on understanding character, emotion and inference.	The scheme aims to build fundamental knowledge about our world and introduce key concepts. It also aims to develop pupils ability to distinguish fact and fiction and think critically about information.	This scheme introduces Iron Age and Classical culture, as well as looking at Lancashire in the past. It aims to support English unit 'A Sense of Place.'		
Knowledge in sequence	Where and what is Wrangel Island? The Story of Ada Blackjack Life on St Kilda Survival skills Writing with emotion	What is the sea? The world's oceans The structure of the sea Ecosystem focus: Coral reefs Do Megalodons still exist? Whales and whaling	What was life like in the Iron Age? The Roman Invasion The Story of Boudicca Romulus and Remus The Origins of Chorley Regina of Arbeia	Each lesson begins with 25 minutes of Numeracy work. This work uses LBQ as a way of organising and sequencing work.	
Skills	As well as the Connect Skills for Learning, we will be concentrating on: Inference Empathy Writing with emotion	As well as the Connect Skills for Learning, we will be concentrating on: Developing memory and recall Investigation skills Evidence selection Critical thinking	As well as the Connect Skills for Learning, we will be concentrating on: Memory and recall Investigative skills Empathy	The modules and units have been designed by our CL of Maths to support Connect pupils in their core maths lessons. The Connect numeracy work focusses on recall of previously taught skills (usually those from KS2 and lower KS3). We then build on their maths lessons by practising fluency.	Farm to Fork: Understanding food production in the modern world. This project will also involve growing our own food on site.
Key words	Survival Expedition Remote Isolation Emotions	Marine Adaptation Light Ecosystem Biodiversity Evidence Evolution	Iron Age Classics Tribal Invasion Immigration Multi-cultural	The overview curriculum is here .	
End point	A survival story on St Kilda	Letter to the Norwegian and Icelandic embassies about whaling.	An origin story for Chorley
