ABLE AND AMBITIOUS

Philip Roth, one of the greatest American authors of his time, died earlier this week. [Read this article](#) about what his friends and other authors have to say about him after his death.

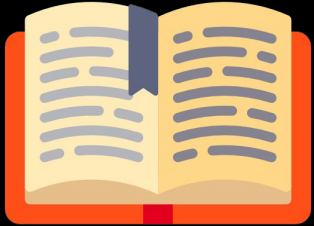

Can you tell when someone is lying just from the way that they speak? Yes! [Watch this video](#) to find out how.

Visit [Liverpool Museum](#) and look at the displays showing the changing face of Liverpool through time. Does this add anything new to your thoughts about 'Blood Brothers'?

# MATHS

PARKLANDS HIGH SCHOOL  
ABLE AND AMBITIOUS

You may be surprised to hear that the government view the pandemic flu as the biggest major risk to the UK. [Read here](#) about how mathematical modelling is being used to save lives.

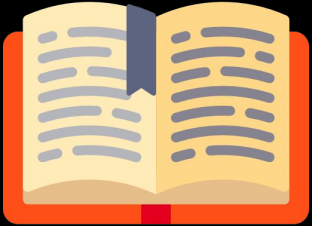

If evolution is all about random mutations, why do the same patterns keep cropping up in the natural world? [Watch this video](#) to see how maths plays a part.

Maths is all about patterns and nowhere is this more evident than in nature. Visit [Liverpool's World Museum](#) and look at the displays in the Natural world exhibition and see what patterns you can spot.

# SCIENCE

PARKLANDS HIGH SCHOOL  
ABLE AND AMBITIOUS

Do you take vitamin pills? There is evidence to suggest that they do nothing, and may in fact be doing you harm! [Read about it here.](#)

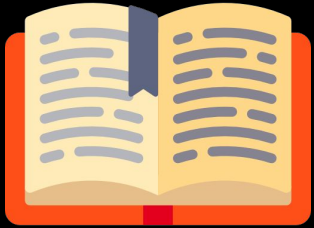

A year in the lives of 7 people desperate for donor hearts, and the extraordinary medical teams dedicated to saving them. [Watch Here](#) (*some graphic images*)

Visit the International Robotics Showcase 2018. The event features talks from world experts, panel discussions, exhibitions, demonstrations and competitions. [For more details and pricing visit this link.](#)

# RS
