**A celebration of academic  
achievement**

❖ **Maths: 10XDW - Shout out to Ella Rudd, Calla Sargeant, and Vaughn Green for doing exceptionally well in (what I think is) the hardest foundation topic test. It is your attitude to your work and to bringing equipment that has allowed you to reach this level. Proof that it is their attitude that brings success is: Vaughn misses a lesson every other week while on day release with Blackburn Rovers and Ella has missed a chunk of lessons in January but both have still achieved huge scores because they have worked hard enough in lesson to outscore the members of the class who do not push themselves as much. Congratulations you three, be proud of yourself. Mr Wright**

- ❖ **Maths: 9YCA - Great improvement shown on the most recent post assessments. Standout performers are:**
  - **Andrew Eaves**
