

Departmental CEIAG Plan

Languages

Year	Activity	Objectives	Support/Funding/Staffing
7&8	Exploration of Hispanophone/Francophone world	Pupils will be able to discuss how prevalent Spanish/French is. Pupils will recognise the importance of learning a language for future employability, by looking at where Spanish/French are spoken in the world.	Language Teachers
9	"Languages as a Specialism" Talk	To allow pupils to consider the types of skills that language learning can develop and the transferable skills that brings to all different types of careers.	Language Teachers/Pupils
10&11	Study of Theme 4 - World of work.	To allow pupils to discover the advantages of learning languages. To show how these skills are transferable to the jobs market.	Languages Teachers
	Trip to Runshaw College	To show pupils what studying languages in further education is like.	Runshaw
ALL	Where Languages Can Take You display	Display (bottom North Wing) with case studies of past pupils that studied languages to inspire pupils.	Language Teacher
