MFL

Year	Activity	Objectives	Support/Funding/Staffing
7 & 8	Research project to be completed on different jobs that use languages and create an infographic about the advantages of MFL in this career path. Summer 2 - end of topic project.	To broaden pupils' awareness of the choice of careers open to them if they study MFL.	Done as part of 17-18 SOW by all staff.
9	Pupils will be going on a trip to Andalucia and JC will arrange for some "meaningful encounters" with various professionals and native speakers. JC will also liaise with ERASMUS students on their year abroad to discuss with pupils how they are using MFL and their planned career routes. October 2019	Immersion in the culture and language of Spain with meaningful career encounters across a large range of subjects embedded into the trip.	Pupils will fund the trip in 2019 and PP funding will also be used. This trip is open to MFL, Art, Photography and RE and is therefore cross curricular.
10	Trip to a university to meet with academics with a tailored session on careers. Planned but not confirmed. JC to liaise with contact. JC now confirmed. June 8th 2018	To raise aspirations and open pupils' minds to the variety of careers open to MFL graduates beyond translator.	Pupils to fund trip if applicable.
ALL	MFL careers display (Ex-students, different careers, MFL staff) Summer 1&2 ready for September	MFL ambassadors to assume responsibility for this display.	One full display to be in the MFL foyer and students will create this.
