- I know it's a difficult subject and every parent has a different view but I feel they should get more homework. My daughter is very happy at school and the school has been very responsive and accommodating to any concerns I have raised. An excellent school!
- Very happy with the school, no problems at all
- Great school, great staff, well done
- There are recognised issues e.g. smoking still a problem - don't see how this is dealt with.
Response from school: Smoking is forbidden and sanctions are applied if breaches occur. Any particular concerns should be raised directly and we will be happy to help.
- Wonderful teaching and management staff. Highly recommend Parklands HS for Chorley community and beyond.
- Really happy with my daughter's progress in Year 9.
- Very pleased with my son's progression. The school is always supportive and address any concerns I may have. I'm impressed with the extra activities/meetings where parents are involved.
- My son has moved on this year and I hope he carries on.
- I would like to be involved/informed in the first instance of misbehaviour or missing homework/books before it becomes a regular occurrence. Please feel free to mail me. I would like to be messaged about or emailed (I never see any slips).
- Really happy with parent's evening and my daughter's progress
- My child doesn't inform me of his day in school but I think all is well.
- My son has his ups and downs but I have had excellent support from the staff at Parklands which is now showing in my son's academic level and steady behaviour. Continuous guidance is sometimes needed with this age group and I can feel rest assured that my son is getting full support to achieve his final goals.
- I have concerns over the quality of teaching in one particular subject area.
Response from school: This was a specific concern. We responded personally to the parent and addressed the issue. Support was put in place and the situation has now improved.

- Concerned about drug problems, some teachers inappropriate comments towards pupils.

***Response from school:** We face the same challenges reported by all schools, locally and nationally and know that teenage years can be challenging. At Parklands we have developed a comprehensive SECURE programme which covers issues including healthy choices - drugs, alcohol, sexual and mental health etc. Through this programme we aim to educate our young people. In addition to this, we have a clear behaviour policy and have high expectations of all our students. A breach of our rules means that appropriate sanctions are applied. Any individual or specific questions need to be raised directly to us and we will be happy to help.*

- Parklands is an excellent school. My daughter is extremely happy here and is making exceptional progress. The teaching staff are fantastic and so dedicated. All in all a well run, successful, inspirational school and I am glad I chose to send her here.
- My child is doing wonderfully thanks to the hard work all the teachers have put in and the wise leadership and correct guidance Parklands has provided.
