Headteacher's Message

Good morning parents, carers and students,

We have just 4 school days left until this long summer term is over - and what a term it has been! This edition of our bulletin is only small as the final, summer edition will be sent on Thursday 23rd for the whole of the summer.

Year 10 audit reports were issued on Friday; all parents/carers should please check the documents section in the Edulink app. Some really pleasing efforts and 18 very special students have achieved greens in everything. They have been recognised on the next page of this bulletin.

All other year groups will receive their audit reports next week and we will celebrate their achievements in the summer edition of the bulletin. Staff will be marking individual efforts and achievements on the last day of term by sending emails to both the students and parents/carers for those they feel have worked well in their subject. Apologies if this means your inbox is full on the last day of term but it will mean it's full of praise!

Finally, our arrangements for reopening in September are almost finalised and I will issue a separate letter either on Monday or Tuesday. This will contain all the information you need; please keep the letter safe, print it off if possible and pin to your fridge! The letter will be lengthy, but please do spend some time going through its contents with your child, so they are aware of the measures and changes we have put in place for September. If anything changes over the summer, I will update you as soon as I can.

Kind regards,

Mr Mitchell
