## WEEK 1

### 19th - 23rd January 2026

#### Headteacher's Message

Dear Parents and Carers,

It has been another vibrant and productive week here at school. It's always a pleasure to see our students engaging with such a wide variety of opportunities, both inside and outside the classroom.

#### Highlights from This Week

Our SECURE programme has been in full swing this week. We were delighted to welcome guest performers on Tuesday and again today, providing our Year 8 and 9 students with thought-provoking sessions designed to build resilience and awareness.

It has also been a significant week for our Year 11s as they look toward their futures. We hosted interview teams from Wigan & Leigh College on Wednesday and Preston College today. It is a proud moment for us to see our senior pupils conducting themselves with such ambition.

Other key events included:

- Year 7 & 8 Reports: Behaviour for Learning (BfL) reports were sent home on Thursday. These are a great tool for reflecting on progress and setting goals for the term ahead.
- Year 10 Assembly: On Thursday, Year 10 attended an important and informative assembly by Oddballs, focusing on testicular cancer awareness. This is a vital part of our commitment to student health and wellbeing.

#### Looking Ahead

Next week, we look forward to welcoming our Year 10 families into school for the Progress Evening on Thursday. This is a crucial opportunity to discuss academic progress as students move further into their GCSE journey.

#### A Note on Attendance and Punctuality

As we strive for excellence, I must reiterate the vital importance of attendance and punctuality. While morning arrival remains steady, we have noticed an increasing number of pupils arriving late to their individual lessons throughout the day.

Every minute lost in transition is a minute of valuable learning time missed. To ensure our classrooms remain focused environments, we are introducing a new system. From Monday, we will be closely tracking lateness to lessons. Any student with repeated or significant lateness will be required to serve a one-hour detention on Friday after school.

## Headteacher's Message Continued...

We want every student to get the most out of their education, and being in the right place at the right time is the first step toward success. Thank you for your continued support in reinforcing these standards at home.

Regards,  
Mrs. Batson  
Headteacher

## Whole School Messages

On Monday our **Wellbeing Prefects** (part of the Breathe & Be Wellbeing Team) collaborated with [Compass Bloom](#) to record a special podcast project focused on the theme of **belonging**.

The prefects did an outstanding job, demonstrating remarkable confidence and insight throughout the recording process. Their work contributes to [Compass Bloom's](#) wider mission of supporting young people's mental health through innovative, peer-led initiatives. We are incredibly proud of their dedication to promoting a positive wellbeing culture within our school community. Keep an ear out for the final episode, which will be available soon!.

## Year 7

### Well done to Year 7!

A commendable effort from Year 7 this week during the GL Assessment PASS (Pupil Attitudes to Self and School) Survey. The students conducted themselves with maturity throughout the process.

The data gathered from this survey is invaluable, allowing us to accurately identify and implement targeted support where it is most effective.

## PE Update week beginning 19th January 2026

A great start to the first few weeks of the new year! The wet and colder weather has well and truly arrived! Please remember to bring warm clothing with PE kit (PHS hoodie/PHS leggings/PHS joggers). You can also wear a long sleeved dark top UNDERNEATH a PHS t-shirt if you do not have a PHS hoodie. If you are unsure please ask a member of the PE staff.

To ensure pupil safety during PE, all students with long hair are required to tie it back. While I have previously provided spare hair bobbles, this was a temporary measure that is no longer sustainable.

Effective immediately, hair bobbles will no longer be provided by the department. It is a pupil's responsibility to include a bobble as part of their essential PE kit. Failure to have one—resulting in an inability to participate safely—will be recorded as a kit mark/BfL (Behaviour for Learning) point in line with school policy.

We have been jam packed with fixtures these past few weeks. From netball to handball to dodgeball to district champion football!

**Enjoy a few snaps of our super stars...**

# Learning Support

## Learning Support - Every Minute Counts: The Importance of Being in Lessons

We want every student to make the most of their learning time. Even a few minutes missed from each lesson can quickly add up and have a big impact on progress.

For example, if a child misses just 5 minutes from every lesson each day, that adds up to around 4 hours of learning lost every week. Some students are missing as much as 16 minutes per day as they are arriving late and/or leaving early. That's the equivalent of over 7 hours of learning time lost every week.

We fully appreciate that sometimes students need time to reset, reflect, or take a short break and these moments are important for wellbeing. However, we also want to highlight just how valuable lesson time is.

Every minute spent in the classroom contributes to a stronger understanding, better progress, and greater confidence in learning.

It is our job to work together to make sure our students are present, ready, and making the most of every learning opportunity.
