Parklands Plus Residential took place this week. Thanks to the staff and students who were involved. It has been a rewarding and valuable week. We hope it has given a great boost, ahead of the start of the GCSEs starting next week.

Hello everyone,

Next Monday will be a Bank Holiday to mark the coronation of King Charles III. This is a momentous event and one of great historical significance as the last coronation was 70 years ago in 1953! The former Prince of Wales will have the crown of St Edward placed on his head, officially crowning him King Charles III and he will be the oldest UK monarch ever to be crowned, at 74 years old. I hope you all enjoy the celebrations and the Bank Holiday.

This weekend, some of our KS3 pupils will be travelling to Boreatton Park as part of an exciting football PGL trip. I hope all pupils involved have a fantastic time.

Have a lovely extended weekend,

Seb

Operation Encompass

Supporting children through key workers

Please click [here](#) to read about our participation in Operation Encompass. It is unique Police and Education early intervention safeguarding partnership which ensures that a child/ young person's school/ college is informed, prior to the start of the next school day, that there has been a domestic abuse, vulnerable child or missing incident to which the child or young person has been exposed, and which might then have an impact on them in school/ college the following day.

Why should kids have all the fun?

We are opening this event to parents, carers, siblings, and all family members.

So join us on Thursday 11th May at 3:20pm for our very first colour run charity event. You don't even have to run, you can walk, hop, skip or dance around the track. You will start the event wearing a white T-Shirt, and you will be doused with colour powder at various stations around the field.

The entry fee is £6.50pp and includes a pair of sunglasses, which must be worn throughout the event. Please bring your own water bottles.

You can pay by Scopay please use this link <https://www.scopay.com/parklands-lancashire> or pupils can bring cash to Mrs Sullivan Brown in the Pavilion during breaks or lunchtime. If you require a Scopay login, please email reception@parklandsacademy.co.uk

Everyone who is under 18 and signed up for the Colour Run needs to collect a disclaimer form at break or lunch from Mrs Sullivan-Brown on Tuesday. This needs to be signed and returned before the event in order to be able to participate. Thank you

We are looking forward to seeing you all there.

Monday's Mental Mindfulness Colouring Workshop

with

Mrs O'Reilly and Miss Shields

3:15 - 4:00pm
in Inclusion

Mindfulness colouring helps focus the mind; it helps to calm down/soothe the nervous system which can reduce anxiety. This then enables a person to take more notice of how they actually feel in that moment. It provides the opportunity for a person to write down what they may be thinking or feeling and may encourage them to talk to someone which provides an opportunity for a lift in mood and less anxiety felt.

Come join us for our **UNITE** **youth groups**

CAREER News

2023

Your weekly guide to careers information, advice and news from Parklands High School

Here we are at the end of a fairly short, but packed week! Year 8 enjoyed a STEM Day on Thursday, with a number of local employers helping out - and students learning about all aspects of engineering and robotics (or rather, robotics). People who follow STEM Careers tend to earn more - so something to consider when Year 8 comes to choose their GCSE options next year.

Speaking of STEM - on Tuesday we have a couple of STEM Ambassadors from Raytheon Technologies in school to launch the Quadcopter Challenge for 2023. Any Year 8s are welcome to take part - see Miss Berry for more details.

We also launched a new partnership with St Catherine's Hospice - there are a number of events advertised in this issue, with many more planned. They can also support with Work Experience and Career of Edinburgh volunteering - keep an eye on the bulletin for more details.

Year 10 will have an assembly next week to choose their subjects for the Runshaw College (later day) of 2023. This is a great opportunity to try new subjects - after all, once they get to Year 11 they will very soon be making their college applications!

There are some fantastic apprenticeship opportunities on offer at NSG Environmental - please note, these are for 17-18 year olds, not school leavers, but if anyone has older siblings who are looking for their next step - these are well worth applying for.

Work Experience Week is getting closer - if anyone is struggling to find a placement, they need to let their next step - these are well worth applying for.

We also know as soon as possible. I do have a number of offers from local employers, but obviously, we would prefer students to find their own placements if possible. There are some students who I know have been offered placements, but have not yet returned their placement booklets. You are in danger of losing your place if I allocate someone else to that business, so please get those booklets in to me as soon as possible!

Lots more inside - conferences, webinars, open events, apprenticeship vacancies, podcasts and of course, career of the week - what this week is Event Manager, I imagine there will have been hundreds of event managers involved in this weekend's Coronation celebration!

Have a lovely Coronation Bank Holiday weekend!
