

PARKLANDS BULLETIN

8th - 12th July 2024

Week 1

Principal's Message

Dear Parents and Carers,

On Wednesday night we had one of the highlights of our school calendar - the Year 11 Prom. It was a fantastic evening at Rivington Barn, and it was lovely to see our ex-Year 11s, along with their teachers and other staff who have supported them, celebrating their time at Parklands. It is something that the Year 11s look forward to for a long time, and they certainly deserved it after the hard work they all put in to their exams. They all looked amazing; please have a look at the photos on our school social media.

Next week is another highlight - Learning Challenge Week! All pupils in Years 7 - 9 will be completing a range of different challenges, all of which culminate in Festival Day on Friday. Friends and family are invited to attend school on Friday to see the end results of what is always a great week. Pupils will be able to wear non-uniform on Monday to Thursday, and we request a donation of £1 for this, which will be donated to charity. Pupils will need to wear full uniform on Friday.

On Thursday next week we are also holding our second annual Year 11 vs staff charity football match. This will take place from 3.30 - 5.00pm at Westway. There is a minimum £2 donation to watch the match; all funds will be donated to charity.

Regards,
Mrs. Batson
Principal

Safety Video - Due to increasing incidents of trespass on the railway near our school, we showed a 15 minute safety video to all pupils during form this week. If you would like to view this to discuss it with your child, please follow [the link](#) here. It is free to view but you will need to input your email address to access it.

Remember the rail network is all around us including rail depots and sidings which are extremely dangerous places for young people to play on.

Learning Challenge Week dress code - Reminder to all parents/carers that next week will be Learning Challenge Week and pupils will be in their **own clothes** on MONDAY, TUESDAY and THURSDAY. **PE kit** on WEDNESDAY for Alternative Sports Day and **uniform** for FRIDAY (unless their challenge specifies otherwise during the week).

We recommend you do not wear expensive or your best clothes as some of the challenges may get a bit dirty.

Please no short tops, short shorts, no midriffs out, no T-shirts with offensive/inappropriate text or logos, no hats indoors. Jewellery, makeup and nails/lashes rules still apply.

There is a £1 donation FOR THE WEEK to wear your own clothes and this will go to a charity that the school supports at the end of the week.

Learning Challenge Week office request - Please could we ask that your child is aware of the details of any appointments which require them to leave school early and know their after school arrangements (clubs, travel arrangements etc.) prior to coming into school. It will be difficult to retrieve pupils from the activities and could potentially cause a significant delay in them leaving. As per the mobile phone policy we will be unable to pass on non-urgent messages.

Any items that are dropped off will be at the office for pupils to collect and please remind your child to bring their locker key.

Parklands Culture Fest - We are about to start planning the inaugural Parklands Culture Fest! This will be a huge celebration of all of the cultures we have in school and our Parklands community. There will be stalls with food, dance, music, arts and crafts etc (I'm sure you will have some amazing ideas!).

I'm looking for volunteers to join a committee to help with planning this. We're hoping this will be a really fabulous event that will bring our whole school community together. If you would like to be involved, please send an email to jdohue@parklandsacademy.co.uk

I look forward to hearing from you!

Colouring club - Colouring club has now finished for the term, we will start again the second Monday back in september. Thank you!

LOST PROPERTY - Tables will be put out on the concourse next week with a collection of items which have been handed in throughout the school term.

Please encourage your child/ren to have a "rummage" through and hopefully some items will find their way back to their rightful owners. Any items unclaimed will be donated to charity.

ATTENDANCE NOTICE - New information from the Government

Dear Parent/Carer

We are writing regarding attendance and punctuality at school. This has become a national issue, and the Government is placing increased emphasis on this. We would like to work with our families to support you in ensuring that your child attends school every day.

As part of this increased emphasis, the Department for Education has announced national changes to the penalty notices which are issued for unauthorised absence and lateness in term time. Whilst these changes will come into effect on 19 August 2024, we would like to give you advance warning and to make you aware of what this will mean for our community.

- Penalty notices issued for unauthorised absences will be charged at a new rate of £160 per parent per child. This is discounted to £80 if paid within 21 days.
- Any second penalty notice, issued to the same parent for the same child within a rolling 3-year period, will be issued at the rate of £160. This is to be paid within 28 days with no option for a discounted rate.
- Each school day is made up of two 'sessions'; one in the morning and one in the afternoon.
- The threshold at which a penalty notice will be issued is set at 10 'sessions'.
- This includes 'sessions' which are missed as a result of arriving late after the register closes, either in the morning or in the afternoon.
- Ten 'sessions' is five days of absence and/or lateness within a rolling 10 school week period.
- A school week is any week in which the school is open to pupils at least once in that week.
- The 10-school week period can span different terms and school years.
- A maximum of two penalty notices will be issued to a parent for the same child within a rolling 3-year period. At the third (or subsequent) absence and/or lateness, another course of action will be used (such as prosecution).

The importance of your child attending school every day and on time cannot be underestimated. Absences can and do have a lasting effect on learning. For example, missing a week of school means your child will miss 25 lessons, as well as any other curriculum enhancing initiatives that take place during that week.

Whilst requests for absence can still be made using our appropriate form, it is only in the most exceptional of circumstances that any requested absence will be authorised. Please note that holidays will not be considered as exceptional circumstances.

We understand that, at times, it can be difficult for your child to achieve 100% attendance. However, we believe that school is always the best place for your child to learn. We will support families in all attendance matters, and we request open and honest communication so that we can work together to ensure that your child is successful at Parklands.

Hi everyone.

I hope you've all had a lovely week.

Well done to everybody for their contribution to sports day. It was so lovely to see everybody either representing their House or cheering people on.

Have a wonderful Learning Challenge week, and good luck to all year 10s on work experience !

PE Update week beginning 8th July 2024

With the school year coming to an end the activities in the PE department are slowing down. We did however have a big event last Friday!

Parklands Sports Day - the weather finally held off last Friday and we were able to organise our 2024 sports day! All of the teams from Africa, Asia, Australasia, Europe and South America fought hard in the sprints, jumps and throws to add vital points towards their totals for the house cup! It was Asia house who came out victorious on the day taking the overall lead for the sports day win. But we don't know who is in the lead for this year's house cup...!

Pupil Spotlight - Liam D. one of our Sports Captains and George J. have been selected for the U16 North England Handball team. Congratulations! This is a huge accomplishment.

Congratulations also to Izzy H., Lydia H. Thea P. and Macey M. who have all been successful for signing for Preston North End Football Club. Huge Congratulations! We're all very proud of you all for these achievements.

What Parents & Educators Need to Know about SHARING INTIMATE IMAGES

An intimate image depicts sensitive – often sexual – content, and sharing these photos or videos is commonly known as ‘sexting’. As of January 2024, it is a criminal offence to distribute any intimate images shared by a third party without consent, with offenders facing prison time. Naturally, misuse of intimate images can lead to emotional distress and reputational damage.

WHAT ARE THE RISKS?

EMOTIONAL DISTRESS

Victims of the misuse of intimate images and so-called ‘sexortion’ (blackmail involving sexual material) often experience significant emotional distress. The threat of having these photos or videos shared publicly can lead to anxiety, depression and a sense of helplessness. This emotional turmoil can affect daily life, academic performance and personal relationships.

DAMAGE TO REPUTATION

Intimate images being made public can severely damage a person's reputation. This can lead to bullying, social ostracisation and long-term impacts on personal and professional relationships. If a blackmailer gets their hands on any intimate images, the fear of reputational damage can also make a victim far more vulnerable to ongoing extortion.

PRIVACY VIOLATIONS

Once intimate images are shared online, it can be difficult to quickly control where they wind up and who else sees them. This loss of privacy can have lifelong repercussions, including identity theft and persistent online harassment.

FINANCIAL EXPLOITATION

Perpetrators of sextortion may demand money from victims under the threat of releasing their intimate images publicly. This can lead to severe financial problems for victims and their families, compounding their emotional and psychological distress.

LEGAL CONSEQUENCES

If a child or young person creates and/or sends intimate images to others – especially adults – this is considered a form of child abuse under UK law. Having to disclose this type of abuse, although necessary, can be harrowing, leading to further trauma. It's crucial for parents, carers and educators to understand the legal processes and be able to provide proper guidance and support.

TRUST ISSUES

Sharing of Intimate Images without consent can lead to long-term trust issues. Victims may find it difficult to trust others, impacting future relationships and their ability to form healthy, supportive connections. This erosion of trust can have profound effects on mental health and social wellbeing.

Advice for Parents & Educators

FOSTER A CULTURE OF OPEN COMMUNICATION

It's vital to encourage open communication with children and young people about the dangers of sharing Intimate Images. Create a safe space where they feel comfortable discussing their online activities and any concerns they may have without fear of judgement. Be sure to respond to any worrying information with an attitude of support and learning.

EDUCATE CHILDREN ON THE RISKS

Children and young people often want to understand why certain rules are in place. Educate them about the risks of sharing intimate images online, explaining the reasons for monitoring and other security measures. Highlight the potential for misuse, including sextortion, and the long-term consequences that can arise from these actions.

PROMOTE DIGITAL LITERACY

Digital literacy is incredibly important for children and young people to understand how to protect their privacy online. Teach them about secure online practices, such as using strong passwords, enabling privacy settings and recognising suspicious behaviour. This empowers them to be proactive in terms of their own safety.

PROVIDE SUPPORT RESOURCES

Ensure that children and young people know where to seek help if they become victims of sextortion or any other online abuse. Help them identify in advance which adults they can turn to and provide them with information about trusted resources like helplines (e.g. Childline) that they can access if they need help.

Home Start Central Lancashire are leading providers in therapeutic parenting training, which allows parents to gain a better understanding of the emotional and physical impact of trauma.

We all experience trauma within our lives, however how we are supported through challenging times can have a huge impact on our parenting styles, future life choices and wellbeing.

This course will allow parents to learn about brain development, the impact of stress on both adults and children, and how a trauma informed, therapeutic approach to parenting can have a positive impact on the whole family.
