## 18th - 22nd Dec 2023

### Week 2

#### Principal's Message

Dear parents and carers,

We have had another wonderful and Christmas themed week at Parklands. However, unfortunately I need to start on a more serious note. Parklands has been the subject of some unpleasant social media comments from a small number of people, primarily regarding the parking situation outside school. It is always upsetting when people make negative comments in public forums; we always choose not to respond to these publically. However, we are always available and willing to listen to any ideas or feedback about our school. It is particularly disappointing to read comments directed at us about the parking, which is something we have very little control over. We have tried our best, and appealed on a number of occasions, for people to be respectful and safe in the way that they park when collecting their children. Please can I ask again that you park safely and considerately outside of school. Please do not use the cemetery at any time when collecting or dropping off your children.

On a much more positive note, we are hugely proud of a group of our Year 9 pupils who took part in a national Engineering competition in Lincolnshire. After months of hard work after school and already winning the regional final in Manchester, the pupils competed against 11 other schools, who had travelled from the four corners of the UK. The competition was hosted by Raytheon, a technology and innovation leader specialising in defence, national security, and other government and commercial markets around the world. The final was hosted at RAF Cranwell. As well as hearing from guest speakers and having a tour of the air base, pupils competed in two events, which included a presentation of their idea and a drone flying competition.

During the awards ceremony at the end of the day, our team won the award for 'The best Engineering concept' and returned to school proudly carrying their trophy.

### Week 2

#### Principal's Message

This week staff and pupils have also eaten delicious Christmas dinners at lunchtime. Thank you to all the canteen staff for their hard work and Christmas spirit! The canteen staff even managed to employ some special elves to help out...

Today we are also holding our Christmas markets where we will be selling Christmas sweets and other treats. This has been organised by our charity prefects who have been bagging up sweets all week!

Last night our Christmas trip to Disneyland Paris set off. We wish them a wonderful trip and a safe journey. There will be pictures in next week's bulletin.

I would like to close with a reminder that next Friday school finishes at 1pm for the Christmas break. We hope that everyone enjoys the last week of term.

Regards,

Mrs. Batson  
Principal

## Whole School Messages

**HUGE congratulations** to the following students, who have **had their work selected to be published** in the YoungWriters' anthology '*Lest We Forget*': Hind Fares, Izzy Frohock, Jenny Queally, Lincoln Stothers, Raghad Elhabal, Róisín Cunningham, Elizabeth Musa, Lillie Morgan and Safiyah Zentani. Christmas Market - £482 was raised at the Christmas markets today. The charity prefects and cheerleaders did a fantastic job raising money for Derian House and our very own Fusion Cheer Team. Mr Penketh and the vocal ensemble kept us entertained throughout lunch time too. A great time was had by everyone who attended.

## Head Students' Page

Hello everyone,

Hope you're all doing well. This week has marked the mock exam week for Year 11s. Despite the number of tests taking place, this week has been an important experience leading up to the real exams in May next year.

On Wednesday, I was part of a group selected to take part in a college course taster day at Cardinal Newman College. This experience gave us a valuable insight into education after school, and leading up to university.

On Friday, Parklands' Christmas Markets took place giving students the opportunity to buy sweets, chocolate and Christmas Decorations in order to raise money for Derian House and our school's cheer team.

Lucas.

## Library book of the week

This book is fantastic, from the opening words "Scarlett McCain woke up next to 4 dead bodies.." to its exciting and unexpected conclusion. Stroud's books are usually light fantasy books with laughs, to read after Potter for example, but this is his first book of this sort. It's a total rollercoaster ride of a book, action scenes, thoughtful dialogue, interesting well developed characters and a hint of some weird magic. On the surface it is a straightforward future-set dystopian book, but scratch at the surface and you find hidden depths, there are hints at a climate crisis apocalypse event with the stylings of a retro cowboy film.

The books events concern the mainly illegal activities of Scarlett McCain, and her sidekick Albert Browne. They meet at the start of the book and they try to get to an aquatic East London where Albert believes he will be safe after escaping a secure unit. The development of their relationship is one of the highlights of the book - Scarlett is hard, as an outlaw should be, Albert is like a cat in the headlights, overwhelmed by everything, with childlike interest in the mundane. Both characters are likeable, and bounce off each other.

It is down to Stroud's genius as a writer that easy options are not explored, he doesn't allow a hint of romance between them, he refuses to allow this book to fit into a single genre, he creates an alternative but believable future UK, allowing the action scenes to be exciting and dangerous, but never to take over as the main plot, only being used as devices to give you a jolt to further the main plot. Its superb work from a well seasoned experienced author who knows how to write for his audience.

Mr Johnston - Library Manager

## Whole School Messages

On Saturday 2nd December a number of pupils and staff performed in Shine for Sally 3. This is an annual event organised by Mrs Sullivan-Brown in memory of former pupil Sally Cornes who passed away 3 years ago, aged just 14, after being diagnosed with a rare form of cancer. This year Miss Bond sang and brought the house down with a rendition of "Girl on Fire" and pupils from all year groups danced and sang throughout the show. A fabulous £5000 was raised for local charities that supported Sally and her family including Derian House, Milly's Smiles, Rory's Box and The Keepsake Circle. #proudtobeparklands

### FOREWORD

#### Police and Crime Commissioner for Lancashire

Protecting children and young people in Lancashire is a key priority for me as part of my commitment to supporting vulnerable people and creating safe and confident communities across the county. We all have a part to play in making sure our young people have the knowledge they need to stay safe and that we as parents and carers know what we can do to support them.

By working together we can improve the well-being of our young people, reduce anti-social behaviour and make our communities safer for everyone. Our police officers work hard to protect children and young people every day and a lot of work goes into crime prevention to help equip children with the skills needed to protect themselves.

For those that have been affected by crime, harassment and bullying I have set up Nest Lancashire, a specialist service to support young people and help them recover from whatever it is they have experienced.

This booklet has been produced to provide you with information that will help keep your children or those in your care safe from harm.

Educating young people about risks and consequences is important to their continued safety and well-being and I hope that you find the information useful in discussing the issues covered with young people in your care.

Thank you  
Clive Grunshaw – Lancashire Police and Crime Commissioner

**Brand-new film released today**

Today, we launched 'Amazing Apprentices: This Is My Story' at an exclusive event at BBC News Broadcasting House in London.

We were joined by the amazing apprentices who featured in the film, their family, employers and training providers, to celebrate the film's first screening.

This brand-new film (with British Sign Language interpretation) follows the inspirational stories of apprentices with learning and physical differences, disabilities and health conditions.
