Week 1

Principal's Message

Dear parents and carers,

This week, Year 8 have had their Respect Day with the theme of relationships and personal responsibility. This included sessions delivered by our staff as well as a final presentation delivered by an outside speaker. Feedback was very positive and behaviour was excellent throughout the day.

Last night we held our presentation evening for the GCSE Class of 2023. It was lovely to see our past pupils in school to celebrate their achievements, and to award their certificates and prizes.

We noted from our recent Parents' Forum that some parents are unsure where to find their child's Home Study. For Years 10 and 11, this will be set on Google Classroom by class teachers. For Years 7, 8, and 9 all Home Study for each half term is set in a booklet which is posted on Form and Aspire Google Classroom pages. There is also a blank planner on Google Classroom to help your child to plan out their time. Links to the booklets are here: [Year 7](#), [Year 8](#), [Year 9](#). Instructions for how to submit the work are also in the booklet. If your child would prefer a paper copy of the booklet, they can ask their form tutor to provide one.

We expect all pupils to complete the work set.

Just a note on drinks in school. Whilst there is a vending machine in school at the moment, this is temporary and we will be returning it when the contract expires. We continue to encourage all pupils and staff to bring reusable bottles and fill them from the water fountains. We would appreciate your support with this.

Regards,

Mrs. Batson
Principal

Hello everyone,

I hope you have all had an amazing week! It's only 4 weeks until we leave for Christmas, so make your last few weeks of term count!

We have many exciting trips coming up for those who are eligible - the Trafford Centre, cinema and a disco for Year 7s and 8s.

Yesterday, we had our GCSE Presentation Evening and it was great to see all of their accomplishments throughout Parklands! It's another reminder for us to work our hardest during school!

We also met with the Head Pupil candidates who are about to begin their final interviews! The best of luck to them on behalf of our team!

Have a great weekend,

PE Update week beginning 20th November

A week of girl power in the PE department! The number of pupils attending badminton, dodgeball, netball, football, basketball, dance and cheerleading clubs is fantastic! Our gymnastics team is working hard towards their competition in a couple of weeks time too.

U12s Girls Football Lancashire Cup Good luck to the team for the match today after school today against Archbishop Temple.

Y9 Girls Football Chorley Schools Semi Finals. An unfortunate loss to Bishop Rawsthorne, a draw against Holy Cross, despite being a player down for the competition. Great football on display by the girls but we struggled to score.

Under 14s Girls Football Lancashire cup against Darwen Vale High School. The game that was postponed due to weather... Despite absolutely horrendous weather conditions (again!) The girls came out with a fantastic 4-3 win! A quality team performance! Congratulations.

Under 14s Girls football Lancashire cup. Another dominant display by the girls. Shout out to CJ for a memorable goal! The game ended with a 3-1 victory. We now progress on to the next round of the cup! Congratulations!

Under 14s Basketball - against Clitheroe Grammar School. Our first game of the season and we came up against a very good team. The boys fought valiantly but unfortunately fell short. Hopefully we have better results in the forthcoming fixtures.

Library book of the week

This debut from the fantastically named Lucy Strange combines the magical and the real world to create an engaging read for kids of all ages. The book is firmly on current trends, with its themes of battling patriarchy, a post pandemic, and mental health. Our heroine is a girl called Henrietta, known as Henry, and the book starts at the beginning of the interwar period, with Henry's family moving to a big house in the country get over the death of her older brother in a terrible accident. One of the books strengths is the thorough historical research by Strange, and there are plenty of factual titbits dropped into the text, including the origin of the phrase "Going round the bend".

There is a sombre tone to the book throughout as it deals with the grief of loss, her mother's depression and Henry's own emotions when reacting these two things. WW1 has taken from most characters, everyone has lost someone or something to the war. In the first half of the book, the plot is slowly revealed as Henry meets various characters including a mysterious woman who she thinks is a witch or even a ghost. The text here is rich with many references to classic children's literature. The Fairy tales of Hans Christian Andersen, The Water Babies, Moonfleet are all woven cleverly into the first half of the book. Then as the story gets going, it ditches these references and just concentrates on plot, which becomes stronger, faster and more gripping. The Secret of Nightingale Wood is one of those books you like the more you read it. For fans of Emma Carroll.

Dame Rachel De Souza the Children's Commissioner for England has asked that all schools share this information with parents and carers.

This quote is from her letter to schools.

"I want to ensure that the voices of the children in Lancashire are fairly represented in the findings so that I can share their views with the most senior members of the country.

I must reiterate that it is vital that all children have their voice heard through this survey because, as Children's Commissioner for England, I have a statutory duty to protect and promote the views and interests of children. The Big Ambition provides a much-needed opportunity for the children of England to tell political decision-makers what is important to them ahead of the General Election. I will be sharing their responses with the Government to ensure that children's voices are heard."

Children or parents can complete the survey here: www.childrenscommissioner.gov.uk/thebigambition

The Children's Commissioner for England has recently launched 'The Big Ambition' to hear directly from children, young people and parents across the country.

We want to hear from all children, in every part of the country and in every setting.

This is your chance to tell key policymakers what is important to you ahead of the general election. Take part now and ensure your needs are reflected in the decisions that will affect you in years to come.

School Counsellor

Pupils now have opportunity to access counselling with Mrs Denby school counsellor. Pupils can access the service through House Achievement Leaders or attend drop in sessions via appointment on Tuesdays and Thursday's 3-4pm. Counselling gives young people a regular and confidential space to talk. Counselling has a positive effect on young people's confidence, resilience, sense of self-worth, family relationships, friendships, school attendance and academic achievement.

If a pupil has been assessed as "**Gillick**" competent they have the legal right not to tell parents or carers that they have been accessing counselling and this should be respected. Of course, the pupil themselves are free to tell whoever they wish that they are engaging in counselling and often do.
