9th - 12th Jan 2024

Week 1

Principal's Message

Dear parents and carers,

This week we have really got into the Christmas Spirit - we had a lunchtime House Christmas Sing-a-long on Wednesday, and then yesterday was the Christmas Just Dance at lunchtime. We have been delivering Christmas hampers all week and today we have Christmas Bingo before our early finish for the holidays.

We have also run our Christmas Trips. Most of Year 7 went to see Wonka at the local cinema and had a fabulous time. Years 8-11 went to the Trafford Centre last night, and they were a credit to us all.

The poem below was shared with students in my final Christmas message, to encourage them to think about spreading kindness and thinking of others over the holidays.

The Power of One

One song can spark a moment,
One whisper can wake the dream.
One tree can start a forest,
One bird can herald spring.

One smile begins a friendship,
One handclasp lifts the soul,
One star can guide a ship at sea,
One word can frame the goal

One vote can change a nation,
One sunbeam lights a room
One candle wipes out darkness,
One laugh will conquer gloom.

One step must start each journey.
One word must start each prayer.
One hope will raise our spirits,
One touch can show you care.

One voice can speak with wisdom,
One heart can know what's true,
One life can make a difference,
You see, it's up to you!

Encompass Parents Awareness Letter

Dear Parent/Carer,

This letter is to inform you / remind you that our school is participating in Operation Encompass.

Operation Encompass is a unique Police and Education early intervention safeguarding partnership which ensures that a child/ young person's school/ college is informed, prior to the start of the next school day, that there has been an incident of **Domestic Abuse** or any incident to which the child/ young person has been exposed in which they are considered to be vulnerable to harm, and which might then have an impact on them in school/ college the following day.

Each school/ college is informed of all such incidents, not just those where an offence can be identified or those which are graded as high risk. The partnership recognises that all incidents of Domestic Abuse/ vulnerability can be harmful to children and young people.

This information will be shared throughout the year, **including holidays and weekends**. Information will only be shared with the school/ college by the police where it is identified that a young person was present, witnessed or was involved in a domestic abuse incident.

A nominated member of staff, known as a Key Adult, has been trained to liaise with the police. At **Parklands High School** our Key Adult is **Mrs Fairhurst/Mrs Haslam/Mrs Aspinall**. They will be able to use information that has been shared with them, in confidence, to ensure that the school makes provision for possible difficulties experienced by children or their families. The Key Adults will keep this information confidential, and will only share it on a need to know basis, for instance, to teaching staff for the child or young person. It will not be shared with other school students.

Operation Encompass was first introduced in Plymouth in February 2011, and has proved very effective in providing appropriate and timely support to young people affected by domestic abuse. This initiative has been implemented across the whole of the Lancashire Police area. If you would like some more information about it, you can view it online at www.operationencompass.org.

We are keen to offer the best support possible for our pupils and a recent review of Operation Encompass showed that it is beneficial and supportive for all those involved.

Yours sincerely,

Mrs N Fairhurst

Assistant Principal/Designated Safeguarding Lead

FOREWORD

Police and Crime Commissioner for Lancashire

Protecting children and young people in Lancashire is a key priority for me as part of my commitment to supporting vulnerable people and creating safe and confident communities across the county. We all have a part to play in making sure our young people have the knowledge they need to stay safe and that we as parents and carers know what we can do to support them.

By working together we can improve the well-being of our young people, reduce anti-social behaviour and make our communities safer for everyone. Our police officers work hard to protect children and young people every day and a lot of work goes into crime prevention to help equip children with the skills needed to protect themselves.

For those that have been affected by crime, harassment and bullying I have set up Nest Lancashire, a specialist service to support young people and help them recover from whatever it is they have experienced.

This booklet has been produced to provide you with information that will help keep your children or those in your care safe from harm.

Educating young people about risks and consequences is important to their continued safety and well-being and I hope that you find the information useful in discussing the issues covered with young people in your care.

Thank you
Clive Grunshaw – Lancashire Police and Crime Commissioner
