## 06 Mar - 10 Mar 2023: Week 2

### Headteacher's Message

Dear parents, carers and students,

#### Strike Days 15th & 16th March

Further to this week's strike day, I have not been made aware yet of any movement by the DfE in their negotiations with the Unions. Whilst I am hopeful things may change, we have to plan ahead for the next two days of strikes later this month. On both previous strike days the majority of teachers at Parklands have gone on strike, so it is likely the same will happen on the 15th & 16th March. I will let you know as soon as possible if I have to shut school so you can make alternative plans.

#### Behaviour Policy

On Monday this week I held an online assembly with the whole school during which I went through our school's Behaviour Policy and explained the school's strong stance on drugs, alcohol, banned items (such as knives, blades, weapons) and behaviour outside of school which has a direct impact in school. The school's policy was reviewed and ratified at the Local Governing Board on Tuesday this week and an updated version is now on our website under School Information/Policies.

#### Protests

Following my email last Sunday (thank you for all your supportive replies!) and my comments about the protests in the assembly on Monday, I am pleased that our students have continued to behave with respect and dignity this week. However, in light of the protests I have asked Miss Cosgrove to bring forward the next Student Council meeting to Monday, 13th March. I would like all School Council Reps to attend this meeting and present the views of their tutor groups regarding any aspect of school life. I shall attend that meeting, as it is my responsibility to listen and respond to student feedback. It appears that in some schools student voice is not working effectively; I do not want that to happen here at Parklands. Our students play a vital role in the success of our school and the Student Council is an excellent way for them to share their views and thoughts.

#### Term Dates 2024/2025

These have been agreed by the Local Governing Board and are available to view [here](#).

#### Trial of one lunch sitting

On Wednesday we trialled one lunch sitting for the whole school. Whilst the trial highlighted some tweaks we need to make, it was a success and we were able to ensure all students in the school got their lunch within 30 minutes thanks to the new servery in the Refectory. We shall run just one lunch sitting again on Wednesday and Thursday this week, and then discuss whether we move back to one lunch permanently as the majority of staff and student feedback is requesting this.

Have a lovely weekend,  
Mr Mitchell

## Learning Ambassadors - Reading and Leading Team

A group of 11 Learning Ambassadors visited Highfield Primary School on Thursday to deliver a reading lesson to a class of year 2 students. They read the book 'Monkey Puzzle' by Julia Donaldson and all of them were an absolute credit to the school! They were confident, kind and engaging and we may certainly have some budding teachers in them! Here are a couple of photos:
