LUNCH

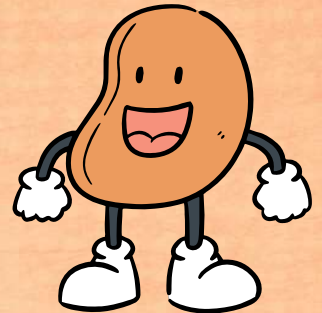

# Brainy beans on toast recipe

A little clever thinking adds more veg to the beans to make the meal a little smarter - and tastier

Prep: 10 mins

Cook: 10 mins

Serves 4

## Ingredients

1 red pepper, deseeded and finely chopped

4 spring onions, finely chopped

1 tin (420g) reduced-salt and reduced-sugar baked beans

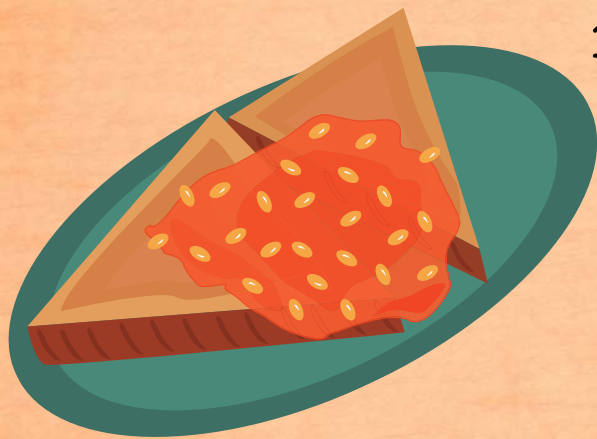

150g mushrooms, sliced

16 cherry tomatoes, halved

4 medium slices wholemeal bread

4 teaspoons lower-fat spread

freshly ground black pepper

## Method

Put the pepper and spring onions into a large saucepan with 3 tablespoons of water. Cook for 2 to 3 minutes over a low heat, until the water has evaporated.

Add the beans, mushrooms and cherry tomatoes to the saucepan. Heat gently for 5 to 6 minutes, stirring often, until the beans are piping hot.

If you don't have any spring onions, you can always use finely chopped onion.

Meanwhile, toast the bread, then spread each piece with the lower-fat spread. Pile the beans on to the toast and serve, sprinkled with black pepper.

## KS1

This half term in 1A, our topic is all about Superheroes. In our Humanities lessons we have been learning all about real life heroes. This week we began by looking at Police force and we enjoyed dressing up as police officers. We listened to a police siren, looked at photos of different equipment used in the police force and engaged in some role play. We all had a fantastic afternoon and we cannot wait to see what real life superhero we are looking at next week.

## KS2

2G have spent the last fortnight learning about free verse poems, reading, writing and performing them. They have also learnt about alliteration and enjoyed writing their own poems about Bonfire night. They hope you like reading them too!
